

APPENDIX 3

**Oregon Licensed EMT, AEMT, EMT-Intermediate, and Paramedic Minimum Continuing Education Requirements
July 1, 2013 through June 30, 2015**

Section 1 – Continuing Education Topics	Two-Year Certification Period	Notes/Comments
Trauma Emergencies	EMT	competency #'s
	3	
Must include a minimum of 30 minutes of Identification of Trauma Patients		91-11.01
Must include a minimum of 30 minutes of Chest Trauma Education		91-11.02
Must include a minimum of 30 minutes of Abdominal/ GU Trauma Education		91-11.04
Must include a minimum of 30 minutes of Head, Face, and Spine Trauma Education		91-11.05;11.05A;11.06
Must include a minimum of 30 minutes of Nervous System Trauma Education		91-11.06;91-11.06A
Medical Emergencies	3	
Must include a minimum of 30 minutes of Stroke Education		91-13.03A; 21-01.15
Must include a minimum of 30 minutes of Abdominal and GI Disorders Education		91-13.05
Must include a minimum of 30 minutes of Endocrine Disorders Education		91-13.12
Must include a minimum of 30 minutes of Psychiatric Disorders Education		91-13.13
Must include a minimum of 30 minutes of Cardiovascular Emergencies		91-13.03
Must include a minimum of 30 minutes of Genitourinary and Renal Disorders and Management		91-13.16
Pediatric and Obstetric Emergencies	3	
Must include a minimum of 30 minutes of Complications of Pregnancy Education		91-17.01A
Must include a minimum of 30 minutes of Pediatric Pathophysiology, Assessment, and Management		91-13.15A
Must include a minimum of 30 minutes of Trauma in Pregnancy and Pediatric		91-11.12;91-11.08
Airway, Breathing, and Cardiology	4	
Must include a minimum of 30 minutes of Shock and Resuscitation including Age-related variations		91-11.03A
Must include a minimum of 30 minutes of Respiratory Medications and Respiratory Disease Assessments		91-13.02
Must include a minimum of 30 minutes of Airway Management, Respiration and Artificial Respiration		91-14.01

Must include a minimum of 30 minutes of Anatomy and Physiology of Life Support Chain		EMT Continued	91-10.01;10.03;05-01.05
Miscellaneous EMS Topics (Related topics)	3		
Must include a minimum of 30 minutes of Therapeutic Communication			91-14.15
Must include a minimum of 30 minutes of Trauma in the Elderly and Cognitively Impaired			91-11.15
Must include a minimum of 30 minutes of Patient Assessment, and History Taking			91-13.01
Must include a minimum of 30 minutes of EMS Operations, Triage, and Automatic Transport Ventilators			91-11.13; 91-14.16
Educational Topics Approved by the Medical Director	8		EMS or Public Health topics which are approved by the Medical Director. If Unaffiliated you must complete mandated topics, then add the rest of the hours to Miscellaneous EMS Topics
Must include a minimum of 30 minutes of Patient Safety Education			91-15.01
Must include a minimum of 30 minutes of EMS Systems Education			85-08.03 (ICS)
Total Hours for the Certification Period	24		
<u>Current CPR Certification Required</u>		<u>All Levels</u>	AHA Healthcare Provider or equivalent
Section 2 – Clinical Skills Competency for all affiliated providers		At Least Once During Certification	Notes/Comments
Airway Management & Adjuncts	Yes		Proficiency within Scope of Practice
Cardiac Arrest Management	Yes		Proficiency within Scope of Practice
Splinting & Immobilization	Yes		

APPENDIX 3

Oregon Licensed EMT, AEMT, EMT-Intermediate, and Paramedic Minimum Continuing Education Requirements July 1, 2013 through June 30, 2015

Section 1 – Continuing Education Topics	Two-Year Certification Period	Notes/Comments
	Advanced EMT and EMT-Intermediate	
	5	
Trauma Emergencies		
Must include a minimum of 30 minutes of Special Considerations Trauma Education		91-11.08;11.15
Must include a minimum of 30 minutes of Multi-Systems Trauma		91-11.01;11.18
Must include a minimum of 30 minutes of Abdominal/ GU Trauma Education		91-11.04
Must include a minimum of 30 minutes of Head, Face, and Spine Trauma Education		91-11.05;11.05A;11.06
Medical Emergencies	6	
Must include a minimum of 30 minutes of Immunology Education		91-13.06;13.08
Must include a minimum of 30 minutes of Abdominal and GI Disorders Education		91-13.05
Must include a minimum of 30 minutes of Toxicology Education		91-13.07
Must include a minimum of 30 minutes of Psychiatric Disorders Education		91-13.13
Must include a minimum of 30 minutes of Hematology Education		91-13.14;13.14A
Must include a minimum of 30 minutes of Genitourinary and Renal Disorders and Management		91-13.16
Must include a minimum of 30 minutes of Gynecology Education		91-13.10A
Pediatric and Obstetric Emergencies	6	
Must include a minimum of 30 minutes of Obstetrics Education		91-13.10
Must include a minimum of 30 minutes of Neonatal Care Education		91-13.15B;91.13.05
Airway, Breathing, and Cardiology	6	
Must include a minimum of 30 minutes of Anatomy and Physiology of Life Support Chain		91-10.01;10.03;05-01.05
Miscellaneous EMS Topics (Related topics)	1	
Must include a minimum of 30 minutes of Therapeutic Communication		91-14.15
Must include a minimum of 30 minutes of Pathophysiology		ANY MEDICAL

		Advanced EMT and EMT-Intermediate Continued	
Educational Topics Approved by the Medical Director	12		EMS or Public Health topics which are approved by the Medical Director. If Unaffiliated you must complete mandated topics, then add the rest of the hours to Miscellaneous EMS Topics
		Must include a minimum of 30 minutes of EMS Operations and Triage	91-11.13
		Must include a minimum of 30 minutes of EMS Systems and Decreasing Medical Errors Education	91-16.01;16.02;16.03
		Must include a minimum of 30 minutes of Patients with Special Challenges	91-13.11;91-13.13
Total Hours for the Certification Period	36		
<u>Current CPR Certification Required</u>		<u>All Levels</u>	AHA Healthcare Provider or equivalent
Section 2 – Clinical Skills Competency for all affiliated providers Airway Management & Adjuncts		At Least Once During Certification	Notes/Comments
Cardiac Arrest Management	Yes		Proficiency within Scope of Practice
Splinting & Immobilization	Yes		Proficiency within Scope of Practice
Vascular Access	Yes		

APPENDIX 3

**Oregon Licensed EMT, AEMT, EMT-Intermediate, and Paramedic Minimum Continuing Education Requirements
July 1, 2013 through June 30, 2015**

Section 1 – Continuing Education Topics	Two-Year Certification Period	Notes/Comments
Trauma Emergencies	Paramedic 6	
Must include a minimum of 30 minutes of Head, Face, and Neck Trauma Education		91-11.05;11.05A;11.06
Medical Emergencies	8	
Must include a minimum of 30 minutes of Endocrine Education		91-13.12
Must include a minimum of 30 minutes of Abdominal and GI Disorders Education		91-11.04
Must include a minimum of 30 minutes of Respiratory Education		91-11.02
Must include a minimum of 30 minutes of Psychiatric Disorders Education		91-13.13
Must include a minimum of 30 minutes of Hematology Education		91-13.14;13.14A
Pediatric and Obstetric Emergencies	8	
Must include a minimum of 30 minutes of Special Pediatric Populations Education		91-13.15B;91.13.05
Airway, Breathing, and Cardiology	9	
Must include a minimum of 30 minutes of Monitoring, Managing, and Assisting with Chest Tube Placement		91-14.13
Must include a minimum of 30 minutes of Monitoring and Access of Central Lines and Indwelling Catheters		91-14.14
