10. Perform strenuous work under adverse conditions, such as heat, smoke, physical discomfort, and hazardous environments.
11. Maintain composure and confront stressful situations and effects of repeated

---

exposure to traumatic situations.

12. Maintain fitness required for position.
13. Use resource manuals.
14. Identify mechanical problems of apparatus and equipment and follow procedure for reporting to appropriate person.
15. Perform duties involving strenuous physical exertion and elements of personal danger; move heavy and awkward objects and people.
16. When serving as EMT, ability to assess medical emergencies and provide initial treatment.
17. Maintain required records.
18. Acquire required certifications and credentials issued by the Oregon Department of Public Safety and Standards (DPSST) and NWCG.

Special Qualifications:

1. S130, 190.
2. Possess a valid and current Oregon Driver's License.
3. Must be insurable by the District.
4. Live within the District's boundaries and response time limits set by policy. A waiver may be obtained from the Board on a case-by-case basis.
5. Must successfully pass a background check, physical exam and drug screen when required.

**PHYSICAL DEMANDS**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to sit; talk or hear; walk; use hands and fingers to handle, or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to climb, balance, stoop, kneel, crawl, and smell.

The employee frequently must lift and move up to 10 pounds and occasionally move up to 150 pounds. Vision abilities required are close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. The employee must pass a hearing test within normal range.

The employee must meet the physical requirements as outlined in the Sisters-Camp Sherman Fire District Medical Release Form.

---

**WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is primarily performed in offices, vehicles and outdoor settings in all weather conditions including temperature extremes during day and night. Work is often performed in emergency and stressful situations. The individual is exposed to hearing alarms and hazards associated with fighting fires and rendering emergency medical assistance including smoke, noxious odors, fumes, chemicals, liquid chemicals, solvents or oils. During firefighting activities, an employee is exposed to restricted environment with temperature variance and periods of extreme physical exertion.

The noise level is usually quiet in the office setting and loud at the emergency scene.
