

**Sisters-Camp Sherman Rural Fire Protection District**  
*"Protecting Life and Property through Quality Service"*

**Sisters Fire Station**  
**Snowplow Bid Process**  
**9/7/2020**

**Work to be performed:**

- Snow plow/removal at two fire stations (Elm St, and Squaw Creek Canyon Estates). Because emergency response is critical to the safety of the community, the successful bidder must agree to be onsite at the Fire Station property to plow fresh snow upon 4" of snow accumulation or upon the request of the Shift Commander, Deputy Chief, or Fire Chief within one hour of being called. Ongoing storms may require more than one visit to remove all snow.
- Hard pack or ice removal upon request.

**Qualifications:**

- Previous experience with commercial snow plowing preferred
- Submit 3 references of current or recent similar snow plowing contracts
- Bonding and licensing required; please provide copy in bid proposal
- Describe nature, frequency, and scope of work in bid proposal including hours required
- Describe experience and years in the business related to this project

**Bid Process:**

- Bids will be accepted in writing until 4pm, October 9, 2020
- Bids should include hourly rate, per job price, and available equipment
- Bids should include copy of City of Sisters business license, contractor license, bond insurance, and W-9
- A walk-through and review of the scope of work is available at the fire station. Contact Captain Brown for an appointment
- Provide an email address in the bid so you may be notified the results of the bid process
- Winning bid, based on quality of work, price, and qualifications will be awarded on or about October 20, 2020
