FIREBUSTERS

LIFE SAFETY PROGRAM

The Central Oregon Fire Prevention Co-Op and our sponsors would like to invite you to participate in our annual FIREBUSTERS fire and life safety program!

Beginning October 4, five videos corresponding with each activity on this worksheet will be available online at centraloregonfireservices.org and will air daily on KTVZ and be posted on the Central Oregon Fire Prevention Co-Op Facebook page.

Teachers, if you have time to review the video segments and questions with your students, it is a great opportunity to educate on fire and life safety in the classroom! Worksheets can also be sent home with students to complete with their family.

To be entered to win individual, class and/or school prizes your classes worksheets need to be collected by October 14 and at the front office of your school the morning of October 15.

If you would like additional fire and life safety information or extra FIREBUSTERS worksheets please visit our website at centraloregonfireservices.org.
