INTRODUCTION

Welcome to the proposed budget of the Sisters-Camp Sherman Rural Fire Protection District for the Fiscal Year 2022-23 which runs from July 1 through June 30. This Budget has been prepared with many hours of staff time and consideration from all staff, as well as a participating board member on the budget team.

We hope you will find the information helpful and bring an open budget discussion. The District strives to provide transparency in its finances, and encourages community participation in deciding the priorities of the District.

BUDGET COMMITTEE MEETING – MAY 2022

DISTINGUISHED BUDGET AWARD

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**Sisters-Camp Sherman Rural Fire Protection Dist.
Oregon**

For the Fiscal Year Beginning

July 01, 2021

Christopher P. Monell

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Sisters-Camp Sherman Rural Fire Protection District, Oregon, for its Annual Budget for the fiscal year beginning July 1, 2021. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

INTRODUCTION OF MEMBERS

BOARD OF DIRECTORS

Term Expires

Position 1: Kristie Miller (Vice President)

June 30, 2025

Position 2: Chris Sutton

June 30, 2025

Position 3: Jack McGowan (Secretary/Treasurer)

June 30, 2025

Position 4: Chuck Newport (President)

June 30, 2023

Position 5: Robert Schulz

June 30, 2023

The Board of Directors is comprised of 5 elected community members. Their primary duty is to establish policy for the governance of the District.

DIRECTORS PICTURED LEFT TO RIGHT: VICE PRESIDENT KRISTIE MILLER, SECRETARY/TREASURER JACK MCGOWAN, DIRECTOR ROB SCHULZ, DIRECTOR CHRIS SUTTON AND PRESIDENT CHUCK NEWPORT.

- Wellness
- Respect
- Stewardship
- Compassion
- Integrity
- Innovation
- Inclusiveness
- Collaboration

FIRE STATIONS

Sisters-Camp Sherman Fire District operates out of three active fire stations located throughout the Fire District. The District also utilizes one surplus station (Station 702) for storage:

STATION 701 – MAIN FIRE STATION & ADMINISTRATION OFFICE

301 South Elm Street – Sisters, Oregon

STATION 702 – TOLLGATE SUBDIVISION

This Station sold through an MOU to the Tollgate Homeowner's Association in June 2022.

STATION 703 – SQUAW CREEK CANYON RECREATIONAL ESTATES SUBDIVISION

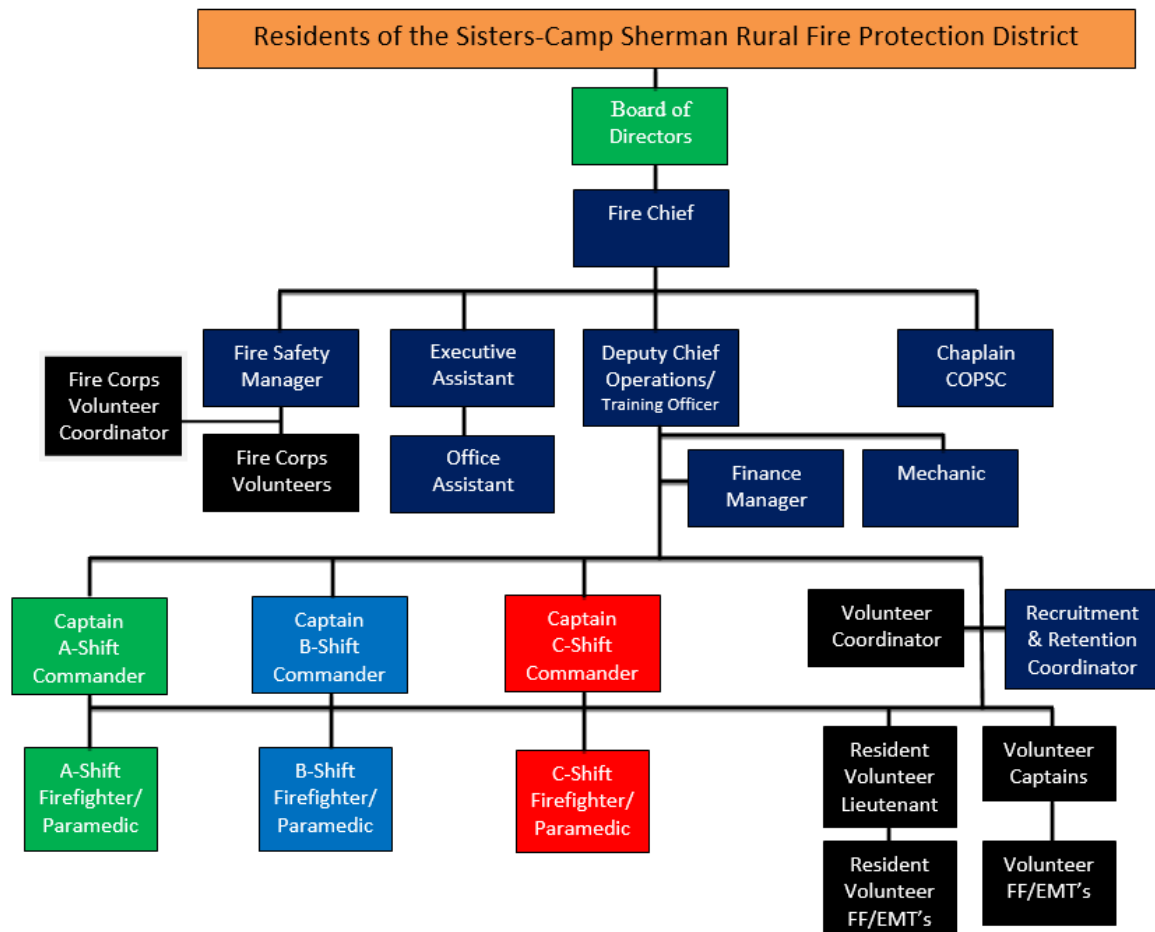

17233 Buffalo Drive – Sisters, Oregon

STATION 704 – CAMP SHERMAN

13033 SW FS Road 1419 – Camp Sherman, Oregon

ROBIN HOLM WAS AWARDED FIRE CORPS
VOLUNTEER OF THE YEAR DURING THE 2021
DISTRICT AWARDS CEREMONY.

SUMMARY OF PERSONNEL CHANGES:

Review of the Past Year

The Shared Services Agreement planned for FY 21/22 was not created after the Cloverdale Levy failed. As such, the District did not hire an additional Office Assistant.

Planning for the Upcoming Fiscal Year

The District plans to increase the Office Assistant position to half-time at 20 hours per week to assist in overall office operations. The District has also allocated funding within the Operations Department for additional staffing based on the recommendations from the Enhanced Staffing Analysis and Basic Life Support (BLS) Analysis expected to be completed by the end of FY 21/22. Funding has been added for the Fire Corps Volunteer Coordinator to make this position equitable with the Operational Volunteer Coordinator position.

DISTRICT FIRE CORPS MEMBERS SUPPORT THE OPERATIONS DIVISION ON A TRAINING BURN PROVIDING REHAB AND OTHER SUPPORT SERVICES. PICTURED LEFT TO RIGHT: BEVERLY HALCON, MARGIE LOMBARDO, MARY FRY AND MARTI STUKER.

ABOUT THE DISTRICT

Sisters-Camp Sherman Rural Fire Protection District (The District) operates under Oregon Revised Statutes Chapter 478 as a separate municipal corporation and is managed by a Board of Directors composed of a President, Vice President, Secretary/Treasurer and two Directors. The Board employs the Fire Chief to manage the day-to-day operations of the District.

The Sisters Fire Department was formed on May 10, 1937. In 1989, the Camp Sherman Fire District and the Sisters Fire Department merged into one organization to become the “Sisters – Camp Sherman Rural Fire Protection District”. The District is a premier provider of emergency services in northwest Deschutes County, Oregon – protecting residents and businesses along the Highway 20 corridor and forest recreation areas of Sisters and Camp Sherman which is located in SW Jefferson County.

The District provides firefighting, emergency medical services, vehicle extrication and specialized rescue and fire prevention services to a 55 square mile area including the City of Sisters and the Camp Sherman community from three fire stations. In addition, District personnel provide advanced life support emergency medical and ambulance transport services to an area over 800 square miles.

The District currently maintains a fleet of four fire engines, three ambulances, three light and one heavy brush engines, three water tenders, three command vehicles, and four support vehicles including a new incident support vehicle.

The District currently has 16 non-temporary employees including 6 Engineer/Paramedics, 3 Shift Commander/Paramedics, a Deputy Chief, a Fire Chief, a Fire Safety Manager, an Executive Assistant, an Office Assistant, a Volunteer Recruitment & Retention Coordinator and a Mechanic. An additional FTE is planned for enhanced staffing within the Operations Department based on recommendations from the Enhanced Staffing Analysis and BLS Analysis. The District also contracts out some of its financial management duties. The District relies heavily on its volunteers including Fire/EMS Volunteers (39) Resident Volunteers (8) and Fire Corps members (37).

POPULATION AND DEMOGRAPHICS

The District serves two communities (Sisters and Camp Sherman) as well as adjacent rural areas with a combined population of approximately 7,000 permanent residents. Along with the resident population, the area is recognized nationally as a tourist destination and the City of Sisters hosts numerous statewide, regional and multi-national events that draw as many as 10,000 tourists at a given time. The median age in Sisters is 41.2 years.

The Oregon Employment Department annual average regional labor force for the area is 117,394. Sisters is a business-friendly community offering a supportive entrepreneurial ecosystem that supports start-ups and connects them to regional and statewide resources. *Source: Economic Development of Central Oregon (EDCO 2021 Sisters Profile)* The median household income in Sisters is \$68,941. *Source oregonprospector.com.*

The town of Sisters takes its name from the iconic Three Sisters Mountains that dominate its western skyline. Each of the three volcanic peaks—North Sister, Middle Sister, and South Sister (renamed Faith, Hope, and Charity in the early 1840's by Methodist Missionaries out of Salem, Oregon) – exceed 10,000 feet.

Sisters' history closely follows that of the Pacific Northwest. Three miles northeast of Sisters' current location, Camp Polk was established in 1865 as a military post located in traditional Paiute Indian territory. Homesteaders quickly replaced the military after discovering there was no conflict and soon established ranches, a store, and a post office. In 1888 the post office and about twenty families relocated southwest to what is now the City of Sisters. The next one hundred years were dominated by sheep grazing, cattle ranching, and logging. In May 1923, ten downtown businesses and several residences were lost due to a garage fire. The following year Sisters was aflame again due to the Gist Hotel fire. "Half of Pioneer Town Is Leveled by Flames," was written in The Bend Bulletin. By the

Landmark Hotel Sisters built in 1912 now called Sisters Saloon in downtown Sisters, Oregon.

1970s not only was logging in serious decline, but so was the City of Sisters. The leading Sisters resort, Black Butte Ranch, persuaded the City to revitalize the town by focusing on tourism. Utilizing an 1880's Western building theme inspired by the town's heritage, Sisters was transformed and became an attraction for tourists worldwide.

Sisters is a modern western community, known for its charming village setting and western-themed downtown with unique shops, galleries, and restaurants celebrating the spirit of the American West.

Sisters is a village-style, family-values-centered community. The city has outstanding small class-sized schools known for their innovative educational programs as well as a thriving arts culture. Thanks to expanding and well-organized forest trail systems, there is ready access to a diverse array of outdoor recreation activities including hiking, biking, skiing, fishing, and equestrian. The community is philanthropic to its core, offering continuous support for local schools, arts and culture organizations, local events, and citizens with countless hours of volunteerism. Sisters is proud to host such world-renowned events as [The Sisters Outdoor Quilt Show](#), [The Sisters Rodeo](#), and [The Sisters Folk Festival](#) –

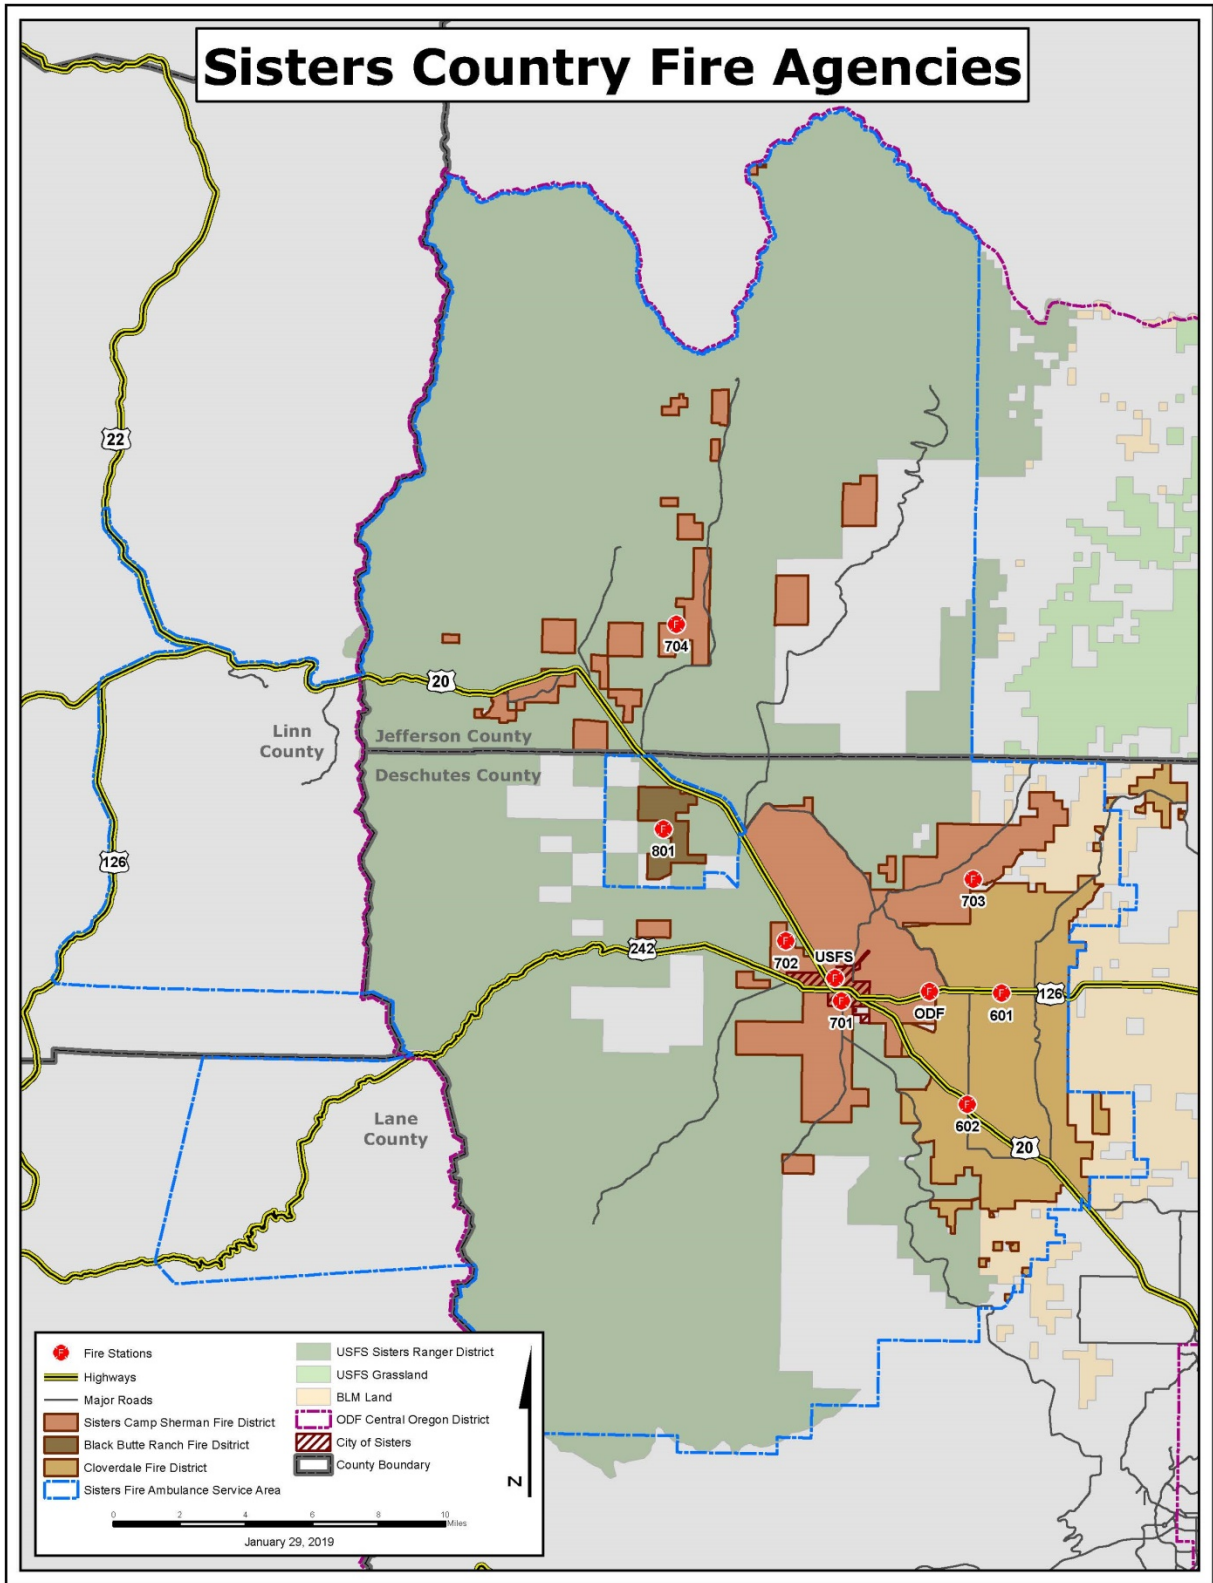

all of which attract growing audiences of new visitors each year. *Source: Economic Development of Central Oregon (EDCO 2021 Sisters Profile)*

The location of the District along state Highways 20, 126, and 242 (the only east-west arterials through Central Oregon), makes the area a prime economic region of the state. The intersection of these major highways near the City of Sisters creates the risk of a major emergency due to the high volume of traffic passing through the District daily. Potential threats range from multi-vehicle accidents, chemical spills, or natural disasters. Though a relatively small department in a rural district, the Sisters-Camp Sherman Fire District must be equipped and prepared to respond to a wide variety of incidents due to this risk.

Sisters-Camp Sherman Fire District is located in Deschutes and Jefferson Counties. The east-west arterial connecting Central Oregon to the west valley passes through the Santiam Pass west of Sisters and includes the popular Hoodoo ski resort at the pass. Driving times from an emergency incident to the nearest hospital can total 90 minutes during the winter months.

GEOGRAPHICAL MAP

POLICIES AND PROCEDURES

The District operates under three policy manuals including:

- Board Policies
- Administrative Policies
- Routine Operational Guidelines/Policies

Board policies are established by the Board of Directors and provide direction to the Fire Chief to carry out the day-to-day administration of the District. These policies are reviewed, and as required revised biennially.

Administrative policies are policies established by the Fire Chief and approved by the Board to direct the day-to-day operations of the District.

Routine Operational Guidelines/Policies are established by the Deputy Fire Chief through approval of the Fire Chief to carry out the District's mission of providing fire and EMS services.

TRAINING

The District's Fire and Emergency Medical Services (EMS) training is made possible through the cooperation and innovation of our members. A comprehensive training schedule, through Target Solutions software, has been implemented and allows for continuous monitoring/scheduling of fire and EMS training on a daily basis. All mandated training requirements are met including those required under OAR: 259-009-0065, which details maintenance training for all fire service disciplines.

District personnel train throughout the year to earn new certifications. In 2021, 46 volunteer certifications and nine career certifications were earned. The District also successfully completed recertification of national standard fire certifications through the Department of Public Safety Standards and Training (DPSST). The DPSST certifies/licenses fire service professionals in the State of Oregon. District volunteers completed 3,927 training hours in 2021 and District career staff completed 1694 training hours.

FIREFIGHTERS

BUDGET MESSAGE

May 1, 2022

Budget Committee Members and Citizens:

I am pleased to present to you the proposed budget for Fiscal Year 2022/23 for the Sisters-Camp Sherman Rural Fire Protection District. An internal budget committee consisting of the administrative staff, career staff, volunteers and a representative from the Board of Directors worked over the past several months to prepare the budget document. Employees and program managers were encouraged to submit budgetary requests during the preparation of the budget.

The District's Strategic Plan and specific Board Priorities adopted by the Board of Directors in 2022 have been our guide throughout the budget preparation process. Detailed information on the strategic goals is included in the budget document.

Key Economic Factors and Assumptions

The Beacon Appraisal group publishes a monthly report (The Beacon Report) on real estate sales data utilizing MLS data for Central Oregon Communities. The median home sales price in Sisters was \$695,000 as of March 31, 2022 compared with \$428,000 on March 31, 2021. This is a 62% increase in year over year median sales price. There continues to be a shortage of inventory in the Sisters area as well, with homes staying on the market for an average of 2 days before being sold. It is unknown if increasing housing costs and rising interest rates will have an immediate impact on home sales and values due to the lack of inventory.

Property tax increases are limited in Oregon under Measures 47 and 50 to a maximum of 3% increase in valuation for existing properties. Tax growth above this 3% is generally due to new construction. New construction within the City of Sisters included 112 permits for single family homes in 2021 as well as 24 permits for new construction on commercial buildings. The total additional valuation is estimated at \$39,774,168. Increasing valuations and increased new construction activity coupled with a constitutional permanent tax rate of \$2.7317/\$1,000 of assessed valuation should provide for stable growth in the near future.

In addition to the District's permanent tax rate of \$2.7317/\$1,000 of assessed value, the District also receives funds as a result of the issuance of General Obligation Bonds in 2007. The bonds were issued to pay for the construction and remodel of the District's main fire station. The District issued refunding bonds in November of 2016 reducing the interest rate on the bonds from 4.5%

to 1.87%. The reduction in interest rates is expected to save District residents \$195,000 over 11 years.

FISCAL YEAR 2022-2023

The proposed operating budget for fiscal year 2022/2023 is \$5,841,456. The proposed budget includes a 5.8% increase in taxable assessed value, and assumes a 96% tax collection rate.

The Personnel Services categories include step increases for permanent employees and a 4.0% cost of living adjustment. Ten employees are at the top of the salary schedule. Once employees reach the top of the salary schedule, they no longer receive step raises, but will receive cost of living adjustments. Employees may also receive longevity incentives depending on their length of service with the District.

Health insurance premiums held steady for the second straight year. The District stayed with the Oregon Fire Chiefs Association (OFCA) group with health coverage plans remaining under Regence and dental plans remaining on MODA.

The District's PERS liability continues to be a focus with its net pension unfunded actuarial liability at 233% as a percentage of payroll.

The permanent tax rate levied for Fire District residents in Deschutes and Jefferson Counties continues to be \$2.7317 per thousand of taxable assessed value.

Expenditures

Personnel Services

The proposed operating budget for Fiscal Year 2022/23 is \$5,841,456 including fund transfers. Personnel services account for 47% of the total budget at \$2,761,946. This represents a 14.9% increase over last year's budget. Approximately 11.5% of that increase includes the assumed salary and benefits for the Enhanced Staffing position in the Operations Department. The District increased the Office Assistant position to half-time this fiscal year. The District's FEMA Safer Grant is in its final year of a four-year grant. A portion of this award amount has been allotted to fund a Recruitment and Retention Coordinator position. The District is staffed with nine career line staff personnel, a fire chief, deputy chief and executive assistant. Part-time staff include a fire safety manager, office assistant, two volunteer coordinators and mechanic. Cleaning and facilities maintenance are paid positions usually reserved for resident volunteers. The District has budgeted for seven fire/ems resident volunteers and a prevention resident volunteer this fiscal year. Additional staffing includes 82 volunteer firefighters, EMS, and fire corps volunteers.

In 2021, the District responded to 1,222 emergency incidents.

Salary: Salary and benefits for career employees are reviewed by the Board of Directors every two years. The Board reviews comparable salary information with career departments in the Central Oregon region when making salary and benefit decisions. A review was completed for the 2021/22 budget. As part of the salary and benefit review process, the Board of Directors approved salary adjustments for fiscal year 2022-2023 based on inflation with a minimum increase of 2% and maximum increase of 4%. Due to the high rates of inflation in 2021 (7.6%) the Board has granted employees a 4% cost of living adjustment for the 2022-2023 fiscal year. The District will complete a new comprehensive salary and benefit review prior to preparing the 2023-2024 budget.

Medical Insurance: The District provides a medical insurance plan for its full-time employees. In addition to the medical insurance plan, the District provides a VEBA Health Reimbursement Plan with variable contributions depending on the family status covered by the plan. The District participates in the Oregon Fire Chiefs Association (OFCA) group plan through Special Districts Insurance Services (SDIS). Group Health insurance rates did not increase for this budget year.

PERS: The District participates in the Oregon Public Employees Retirement System (PERS). PERS contracts with Milliman and Associates to provide independent agency audits of retirement accounts. This report shows how extremely underfunded the District's PERS account is.

Over the past several years, the District has continued to study options to deal with the growing unfunded liability. The District's Board of Directors authorized the creation of a PERS Side Account to deposit funds to offset the PERS unfunded liability, and made an initial deposit of \$1.2M into this account in 2019. PERS created an Employer Incentive Fund (EIF) for approved employers who make an eligible lump-sum payment of at least \$25,000 into a new side account. This EIF matched 25% of the lump-sum amount not to exceed the greater of either 5% of an employer's unfunded actuarial liability (UAL) or \$300,000. The District received the maximum amount of the EIF Program funds of \$300,000 for a total of \$1.5M deposited into the PERS Side Account. This special account, called a side account, is attributed solely to the employer making the payment, and is held separate from other employer reserves.

Side account assets are included in actuarial valuations of the PERS system as they are assets available to pay benefits, and are factored into an employer's individual employer contribution rate as it is determined each biennium as a reduction in the rate employers would otherwise pay. For the 2021-2023 rate cycle, the District's side account reduced the District's rates by 10.71%.

Side Account Reconciliation

Balance as of 12/31/2019	\$1,533,836
Administrative Expenses	(500)
Amount transferred to Employer Reserves 2020	(81,466)
Side Account Earnings 2020	<u>106,423</u>
Side Account as of 12/31/2020	\$1,558,293

As of December 31, 2019 the District was an independent employer, but joined the State and Local Government Rate Pool (SLGRP) effective January 1, 2020. As of December 31, 2019 the District's funded status and unfunded liability as an independent employer was 48%. For comparison, the Pool's funded status as of December 31, 2020 is 69%.

Upon joining the SLGRP, a transition liability or surplus was calculated to ensure that each employer entered the pool on a comparable basis. The transition liability is maintained separately from the SLGRP, and is reduced by contributions and increased for interest charges at the assumed interest rate. As of December 31, 2020 the District's total transition liability was \$1,652,482. The Board has made it a priority to eliminate this transition liability over fifteen years. In the 20/21 budget an initial deposit of \$81,471 was made to this account. The District deposited an additional \$78,000 in FYI 21/22 and has budgeted \$122,623 into the Employment Reserve Fund for FY 22/23 for transitional liability.

Materials and Services & Capital Outlay

Materials and Services account for 17.0% of the budget at \$993,247 with Capital Outlay accounting for 0.57% at \$33,381. The Capital Outlay budget assumes the purchase of a new server and computer hardware replacement as well as a holdover purchase from the prior fiscal year of stacked washer/dryer units for the shop and crew quarters at Station 701. Facilities and Equipment Master Plans created in 2016 are continually updated. These plans provide annual funding into reserve accounts to prepare for replacement of aging apparatus and equipment and building repairs.

Debt Service

The proposed budget represents the sixth year of a 10-year bond with Columbia Bank. The original bond was a 20-year bond dated 2007 with interest rates around 4.25%. The District refinanced this bond in 2016 and it expires 2/1/2027. The bond is for \$1,880,000 and the interest rate is 1.87%. Payments in the 2022/23 budget year total \$190,000 for principal and \$19,729 for interest. The current principal amount owed is \$1,055,000 at the beginning of the budget year and will end with \$865,000 at the end of the budget year. The purpose of the debt obligation was for a new/remodeled main fire station in 2007.

Contingency

The Board of Directors' Financial Management Policy dictates that the Operating Contingency will be ten percent of expenditures (not including transfers or grants). The proposed budget reflects this contingency amount at \$358,948. (Contingency amounts are used in cases outside of normal operating expenditures).

Ending Fund Balance

Budgeted requirements may include an unappropriated ending fund balance. The purpose of the unappropriated ending fund balance is to provide the District with a cash or working capital balance with which to begin the fiscal year following the one for which the budget is being prepared. The Board of Directors has a policy to calculate a proposed ending fund balance in order to prepare for expenditures prior to tax revenue receipts in November. This calculation does not include grants and is 5/12 of Personnel Services, 1/4 of Materials & Services, 1/4 Capital Outlay, less 5/12 ambulance income. Staff has allocated \$1,178,678 for the projected Ending Fund Balance.

Fund Transfers

Staff is proposing to transfer \$515,256 into the Reserve Funds from the Operating Fund. Employment Reserve Fund to receive \$122,623, Building Reserve Fund to receive \$80,450, and Equipment Reserve Fund to receive \$312,183.

Significant Budget Items

The Budget Committee should note the following assumptions used in the upcoming budget preparation that may be significant in its overall impact on the District.

- The District set aside funds in the Employment Reserve Fund PERS Reserve to help offset the transitional liability created when the District joined the State and Local Government Rate Pool (SLGRP). This budget assumes an additional \$122,623 will be set aside for that same purpose.
- The District is anticipating the receipt of Ground Emergency Medical Transportation (GEMT) funds estimated at \$40,000. The GEMT Program is a voluntary program that allows publicly owned or operated emergency ground ambulance transportation providers to receive supplemental payments that cover the difference between a provider's actual costs per GEMT transport and the Medicaid base payment, mileage and other sources of reimbursement.
- In an effort to help enhance office operations, the Office Assistant's hours have been increased to half-time this fiscal year.
- The District's property and liability insurance rates have increased 9.3%.
- Funds have been set aside in the Administration Capital Outlay budget for replacement of the District's main server. Additional computer hardware replacement includes four laptops and a computer for training video editing.

- The Operations Department Personnel Services department includes funding for enhanced staffing based on recommendations from an enhanced staffing and BLS transport analyses.
- The District plans to add a module to the Vector Solutions software system to enhance management and tracking of assets.
- The Operations Uniform budget has been increased to include the purchase of Class A uniforms for Shift Commanders.
- Fire Equipment Supplies in the Operations Department include: reciprocating saws for structure engines, portable generator for vehicle 724, a blowhard PPV fan, chainsaw replacement for vehicle 721 and a breakdown combo nozzle for vehicles 723 and 724.
- The District is planning to purchase additional iPads and modems for District fleet in the Communications budget within the Maintenance Department.
- Several items within the Maintenance Department Contract Services budget have been increased or added including:
 - Landscaping services contract was rebid with increased pricing.
 - Additional HVAC maintenance added to include service quarterly.
 - Window washing at Station 701 was added.
 - One-time fees for electrical work at Station 701 to add washer/dryer units and hot water heater upgrades, and engineering and electrical for adding Station 701 apparatus bays and shift watch room to the generator power.
- Maintenance Capital Outlay includes the addition of new stacked washer/dryer units for the Station 701 shop and crew quarters. This was originally budgeted in FY 21/22, but due to supply issues and shipping delays was postponed to this budget.
- The Volunteers Personnel Services department was reduced slightly due to less funding available for salary and benefits for the Recruitment and Retention Coordinator funded through the FEMA SAFER Grant. This is the fourth and final year of the grant.
- The District Awards budget has been increased to reflect increased pricing for the annual District banquet as well as the addition of a graduation ceremony for resident volunteers completing their recruit academy.
- The District has added one fire/ems resident volunteer position in this budget for a total of seven fire/ems resident volunteers. In addition, the District has created an eighth resident volunteer position to focus and support the fire prevention and safety programs. Tuition/books, reimbursements and uniforms have all increased to reflect these changes.

- The Building Reserve Fund includes funding for interior painting, station security upgrades and audio/visual upgrades at Station 701. Interior and exterior paint is planned for Station 703 and the District plans to complete the prep work for adding a generator to Station 704.
- Funds have been set aside in the Equipment Reserve for purchasing equipment based on the District's Equipment Replacement Schedule and to add equipment to new vehicles purchased. The following equipment is planned for in this budget: CPR Compression System, Holmatro standard liftbag set and a Stryker Powerload system for ambulance 775.
- In addition, the Equipment Reserve Fund assumes the award of the following grants:
 - FEMA AFG Grant #EMW-2021-FG-05203 (Joint Grant) \$389,200
 - This is a joint grant with Cloverdale and Black Butte Ranch Fire Districts with planned purchases for the District of three cardiac monitors and three automated CPR devices.
 - FEMA AFG Grant #EMW-2021-FG-08086..... \$725,000
 - Planned purchase is a Type 1 Fire Engine Pumper
 - FEMA AFG Grant #EMW-2021-FG-05304..... \$33,000
 - Planned purchase of 2.5" and 1.75" attack hose
 - VFA Grant..... \$20,000
 - Planned purchase of radio equipment

2021-22 History

Total revenue for the District is expected to be slightly lower than budgeted overall this year due to the Cloverdale levy failing last May. The District had budgeted to receive contract fees related to the shared services agreement planned with Cloverdale if the levy passed. Therefore, the fees have not been received and likewise, no costs related to that potential agreement were expended during the year. Specific revenue line items will see increases over budgeted levels this year due to increased property tax collections, receipt of FY 21 Ground Emergency Medical Transport (GEMT) Coordinated Care Organization (CCO) funds, increased ambulance user fees, the sale of a surplus ambulance and Length of Service Award Plan (LOSAP) program forfeitures. The District responded to one conflagration outside of the District for the Patton Meadow Fire and did not receive all SAFER Grant funding during the year. Expenditures will fall in line to the amount granted.

The Beginning Operating Fund Balance for 2021/22 was \$1,751,757, which was about 6% more than projected. This increase was attributable to lower material costs, increased property tax revenue and income that exceeded projections.

Ambulance revenue in 2021/22 is expected to exceed the budget forecast of \$375,000. Current revenue is \$370,493 as of April 30, 2022. The number of ambulance transports increased

substantially (15%) over the previous year and can be attributed to COVID restrictions which impacted the tourist season in Sisters the prior year being lifted. Medicare/Medicaid covered transports are the largest portion of what is billed out, and these programs cap what they will reimburse. Total ambulance revenue receivable as of April 30, 2022 was \$221,500.60. The District assumes 50% allowance for uncollectible amounts, leaving a net receivable of \$110,750. Most of these are current accounts. Approximately 20.1% of these accounts are older than 60 days.

The District continued to be impacted by the COVID-19 pandemic through part of the 2021 fiscal year. The virus was less prevalent in 2022 and workplace safety restrictions were eased in February 2022. The District saw an increase in emergency calls and ambulance transports in 2021. District staff and volunteers were able to resume in-person training and providing community prevention and safety programs.

After the devastating year of wildfires in 2020, the District escaped 2021 with only one significant wildfire threatening the community. The Grandview Fire started on July 11, 2021 and consumed over 6,000 acres of trees and brush North of Sisters. While the fire threatened many homes in the Wilt Road area, no homes were lost during the fire.

POTENTIAL FOR FUTURE ADVERSE BUDGET IMPACTS

The economic outlook for 2022 continues to look good with some warning signs on the horizon. The District's two primary funding sources, property taxes and ambulance fees, continue to exceed historic averages and are likely to remain strong through the coming year. Inflationary pressures and supply chain issues are likely to impact the organization and program managers have adjusted their budget line items to account for higher costs in the coming year.

In addition to what we have seen locally, the Oregon Office of Economic Forecast prepares quarterly economic and revenue forecasts for the state. While the state revenue forecast is based more on projected income tax collections than property tax collections, it does provide insight to the overall strength of the state economy. The most recent economic forecast issued was the March 2022 forecast. In part, the forecast identified that, "The inflationary economic boom continues. The U.S. economy grew at its fastest pace last year since the early 1980s. This is true even after adjusting for the current bout of high inflation. More of the same is expected this year. Labor markets will grow and fully recover; however, labor will remain tight for businesses looking to hire. Inflation will persist noticeably above the Federal Reserve's two percent target, but the real economy will see strong gains due to business investment and consumer spending.

Today, households are flush with cash and rising wealth. Consumers have the ability and are showing the willingness to pay higher prices for goods and services. Business can pass along production cost increases as a result, maintaining or even increasing profit margins.

The biggest economic challenge remains the supply side of the economy. Supply chains are not broken but are overloaded due to strong consumer demand. Given that labor runs through

everything, it is the single biggest constraint on the economy today. Labor supply is increasing. Oregon added a record number of jobs last year. However, the labor market is very tight and expected to remain so.

The biggest risk to the outlook remains persistently high inflation. A year ago, inflationary pressures could largely be tied to reopening the economy and semiconductor shortages. Since then, the inflationary pressures have broadened. The Federal Reserve is pivoting hard toward tightening monetary policy. While not the baseline outlook, the ultimate risk is that the economy runs too hot, creating a boom/bust dynamic in the years ahead.

As the inflationary boom persists, all of Oregon's primary state revenue instruments continue to outperform pre-pandemic expectations. With the consensus of economic forecasters now expecting that there is more to come, the revenue outlook has been revised upward."

While the local housing market and economic indicators all point toward strong and stable funding for the District in the coming year, the District maintains a watchful eye on revenue collections throughout the year. Potential areas to watch in the coming year would include:

1. A decline in new housing starts or a lowering of the assessed value of properties within the District.
2. A resurgence of the COVID-19 virus with variants not protected by current vaccines.
3. Decrease in ambulance revenue from transports or GEMT reimbursement.
4. A decrease in property tax collections.

The District continues to provide exceptional emergency and community services through a dedicated group of career and volunteer staff. The District maintains adequate reserve funds to maintain facilities, purchase fire engines and equipment when needed. The District also is continuing to focus on the PERS unfunded liability in an effort to provide reasonable PERS rates for the future.

Respectfully Submitted,

Roger Johnson

Roger Johnson, Fire Chief
Sisters-Camp Sherman
Rural Fire Protection District

VOLUNTEER FIREFIGHTER PETE RENGGLI MONITORING THE GRANDVIEW FIRE PROGRESSION.

BUDGET PROCESS

The Fire District Board of Directors and management staff value stewardship of public funds. Creating transparency in the budget process provides credibility and trust within the Fire District and in the community. Management staff encourage members of the Fire District and the public to participate in the budget process. The process for the District begins with appointment of the budget officer and the approval of the budget calendar. The Budget Officer for the 2022/23 Fiscal Year is Fire Chief Roger Johnson. The process of appointing the budget officer and approving the budget calendar takes place at a regularly scheduled public meeting of the Board of Directors. All public meetings for the District are advertised in the weekly publication of the *Nugget Newspaper*. In addition, public meeting notices are posted at the post offices in Sisters and Camp Sherman communities monthly, and on the District's website.

The internal budget team is comprised of administrative staff including the Fire Chief, Deputy Chief, Finance Manager, Executive Assistant, and a Board Member representative as well as other interested staff and volunteers. All staff are invited to participate in this initial process. The proposed budget is created and includes historical data from previous budgets, forecasts from local taxing authorities and insurance carriers, reports from PERS, as well as other external factors affecting the District's fiscal environment.

During the initial process, the budget team reviews the status of the District's Strategic Plan goals and objectives reviewing which critical tasks have been completed, and which ones are outstanding. The team prepares a draft of Board priorities for the proposed budget, which is presented to the Board of Directors for adoption at a regularly scheduled board meeting. Once the Board priorities are adopted by the Board, the budget team prepares and reviews the proposed budget linking budget decisions to the identified priorities prior to presentation to the Budget Committee. The objective is to create a transparent budget process that will meet the financial needs of the District while meeting the District's vision, mission, and strategic plan.

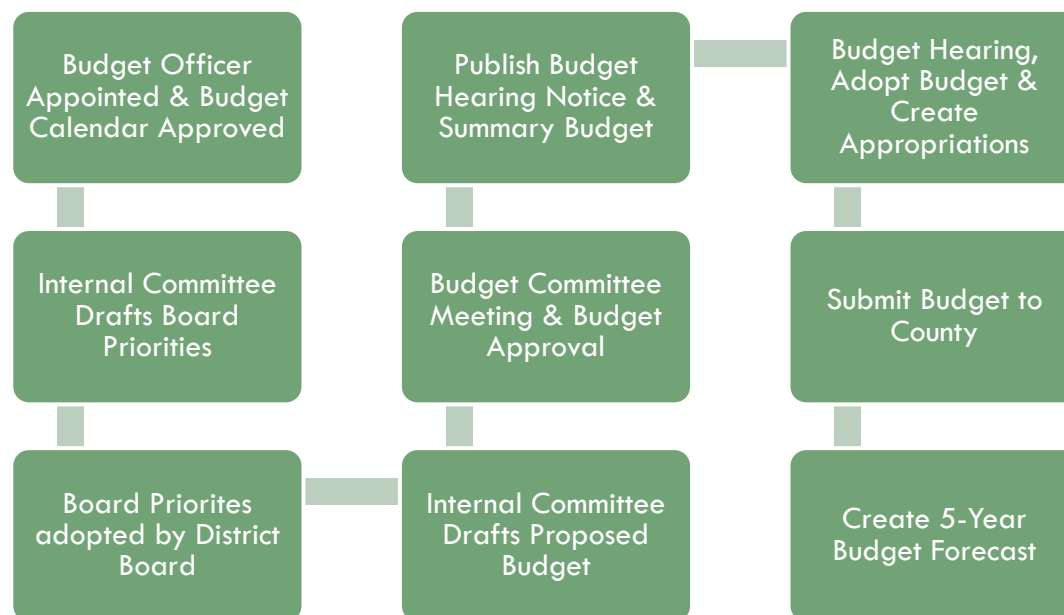

Once the proposed budget has been reviewed and balanced by the internal budget team, it then goes before the Budget Committee. This committee is made up of the five District Board members and five appointed community Budget Committee members. The Budget Committee reviews the document, makes any necessary changes, and then approves the budget to go before the Board at a budget hearing. After adoption, the budget document is then submitted to the Deschutes and Jefferson County Assessors.

If changes in appropriated expenditures become necessary after budget adoption, the District may amend the budget. The Oregon Department of Revenue outlines the method to be used based on the budgetary change needed. If the change involves a new fund or a new appropriation category, a supplemental budget is usually required. A transfer of funds from one fund to the other, or within the same fund may be done by board resolution. The process and preparation of a supplemental budget depends on the size of the change in the adopted expenditures. For this

purpose, fund expenditures do not include unappropriated ending fund balance, amounts reserved for future expenditures, interfund transfer or contingency amounts. If the change will adjust fund expenditures by 10 percent or less, the supplemental budget may be adopted at a regularly scheduled meeting of the Board of Directors. If the change will adjust fund expenditures by more than 10 percent, or will create a new fund or a new appropriation category, then a public hearing must be held and public comment taken prior to adoption of the supplemental budget. In either case, the budget committee is not required to be involved.

A five-year budget forecast is completed by the Executive Assistant and Finance Manager twice annually: once after the budget is adopted, and again after the annual audit is completed. The five-year forecast is used by management staff to review trends and potential impacts to future budgets. The forecast assumes a conservative 5.6% increase in property taxes, a 5.8% increase in personnel services, 12.5% increase in materials and services and actual debt service scheduled payments. It also includes reserve fund allocations based on the District's Apparatus, Fire Equipment and EMS Equipment Replacement Schedules and Board direction regarding major funding priorities.

The five-year financial forecast shows a steady increase in both property tax and ambulance transport revenue. Although expenditures are also anticipated to increase and the District's ending fund balance shows a decline in 2024/25, the District will continue to remain vigilant in monitoring the impacts of new expenses and minimizing financial risk. The District will also continue to utilize grant funding opportunities whenever possible to help control cash flow and create an environment of stability and certainty for the organization. Variables that could impact projections and ending fund balance assumptions include: high inflation, supply chain issues, a resurgence of the COVID-19 Pandemic, and decreases in ambulance transports or property tax collections. A summary of the District's current five-year forecast is included on page 110.

BUDGET AND FINANCIAL POLICIES

Sisters-Camp Sherman RFPD functions under Oregon Revised Statutes, Chapter 478, as a separate municipal corporation and provides many services to the citizens of Sisters, Camp Sherman, and surrounding communities. Services include EMS (basic and advanced life support), fire suppression, fire prevention, public education, and extinguishing wildfires.

The 2022/2023 Fiscal Year budget has been prepared after analyzing, evaluating, and justifying requests from all divisions, and represents the requested financial support for the operation of the functions of Sisters-Camp Sherman RFPD.

The Board of Directors' resolution adopting the balanced budget and authorizing appropriations for each fund sets the level by which disbursements cannot legally exceed appropriations. The budget will be presented departmentally and legal appropriation control will be identified and adopted by major categories or object classification. There is flexibility in the use of various line items within a major category, so long as the total category appropriation control is maintained.

The District manages its finances according to generally accepted accounting principles (GAAP). During the year, expenditures and revenues are closely monitored to ensure compliance with the adopted budget and state law. Monthly budget comparisons are distributed to management and the Board of Directors. Annually, an audit is performed and filed with the State of Oregon by an independent certified public accountant.

The District strives to prepare its annual budget in a manner that provides readers an understanding of all of the facets of the District's operations. The budget is designed to be a policy document, operations guide, financial plan, and a communications guide.

Fund Accounting

Fund coding ensures that correct budgeting, accounting, and reporting procedures are met for each of the different fund types, and that any new funds are correctly identified by type according to both financial requirements and policy.

A fund is a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Funds are classified into three categories: governmental, proprietary, and fiduciary. Governmental funds are used to account for tax-supported activities. Proprietary funds are used to account for a government's business-type activities supported by fees or charges. Fiduciary

funds are used to account for resources held by the government as a trustee or agent for others and cannot be used to support the government's own programs.

The District has appropriated and adopted five funds, all of which are considered "governmental" and include the **General Operating Fund**, **Employment Reserve Fund**, **Building Reserve Fund**, **Equipment Reserve Fund**, and a **Debt Service Fund**. The General Operating Fund is also considered a major fund, and is used to account for revenues and expenditures needed to run the daily operations of the District. It includes four departments including: Administration, Operations, Maintenance, and Volunteers, along with non-departmental categories of inter-fund operating transfers, and operating contingency. A major fund is one whose revenues and expenditures are at least ten percent of corresponding totals for all governmental funds and at least five percent of the aggregate amount for all governmental funds for the same item. The General Operating Fund receives the majority of revenue from property taxes.

The Employment Reserve Fund sets aside funds for unexpected expenses related to hiring, retirements and PERS increases. The Building Reserve Fund is monies set aside for planned, preventative maintenance and unexpected expenses related to the fire station buildings and training ground. The Equipment Reserve Fund is monies saved for replacement of old, outdated fire and ambulance vehicles or other large EMS and fire-related equipment purchases.

Basis of Accounting and Budgeting

The District uses the accrual basis for both its basis of budgeting and accounting. Under the accrual basis, revenues are recognized when earned and expenses are recorded when a liability is incurred, regardless of the timing to related cash flows.

GENERAL OPERATING FUND

The general operating fund has four main departments – Administration, Operations, Maintenance, and Volunteers.

Administration Department – Expenditures related to administration including compensation and benefits for the Fire Chief, Executive Assistant, Office Assistant, Finance Manager, and Fire Safety Manager. Also includes expenditures related to District-wide expenses such as Worker's Compensation, audit fees, liability insurance and legal fees.

Restricted Reserve Funds

Sisters-Camp Sherman Fire District has set aside three (3) Reserve Funds for unanticipated costs and one (1) Reserve Fund for Debt Service. Maintaining a "restricted reserve" line item in the annual budget is an appropriate way to provide the District with financial liquidity in the event of unanticipated expenses and saving for future large expenditures.

Operations Department – Expenses related to fire and life safety operations including compensation and benefits for the Deputy Chief of Operations, Shift Commanders, and Firefighter/Paramedics. Also includes expenses related to training career staff as well as training and EMS supplies.

Maintenance Department – Expenses related to maintaining the vehicles, building, and other fire equipment. Also includes compensation for the mechanic, and cleaning staff. Utilities and communication charges are also included in this department.

Volunteers Department – Expenses related to the Board of Directors stipend, Volunteer Coordinator compensation and Volunteer Recruitment and Retention Coordinator. Includes expenses related to training volunteers, rewarding volunteers, public education and other activities through the Fire Corps volunteers and the Association. This department also includes expenses for the Resident Volunteer program and the scholarships provided to them.

EMPLOYMENT RESERVE FUND

PERS Reserve for Future Expenditure – Saving to help offset the transitional liability from joining the SLGRP with PERS and to help offset future increases and decrease the District’s unfunded liability.

Reserved for Future Expenditure – Unanticipated costs for labor, separation of service, vacation and retirement payouts.

BUILDING RESERVE FUND

Training Center – Costs related to upgrading the training grounds.

Station 701 – Upgrades and maintenance expenses related to the Main Station 701.

Station 703 – Upgrades and maintenance expenses related to Squaw Creek Station 703.

Station 704 – Upgrades and maintenance expenses related to Camp Sherman Station 704.

Reserved for Future Expenditure – Unanticipated costs related to building maintenance and repairs.

EQUIPMENT RESERVE FUND

Vehicles – Fleet replacement costs.

Fire Equipment – Unanticipated and future replacement costs related to fire equipment.

EMS Equipment – Unanticipated and future replacement costs related to EMS equipment.

Reserved for Future Expenditure – Unanticipated and future replacement costs related to other equipment.

DEBT SERVICE FUND

Bond tax revenue and principal and interest payments on the bond to build Fire Station 701 in 2007. This was originally a 20-year, \$2.5M Bond. After refinancing, the Bond is now a 10-year, \$1.88M Bond at 1.87%.

Rural Fire Protection Districts formed under ORS Chapter 478 are limited to the total amount of indebtedness they may incur, which includes both general obligation bonds and other financing liabilities. At no time may the aggregate amount of debt liabilities exceed one and one-fourth percent (0.0125) of the District's real market value, which for 2021/22 is \$1,972,309,931. The District's legal debt limit for the 2021/22 Fiscal Year is approximately \$24,653,874.

The Debt Service Fund is used solely for the acceptance of bond tax revenue and interest and repayment of the Bond loan. The original debt was for \$2,500,000 dated February 6, 2007 in order to construct and remodel the main fire station. As of June 30, 2022, the remaining balance of the debt is \$1,055,000. The bond is for 10 years and will be paid off February 1, 2027. The original interest rate was between 4.25% and 4.5%. The District refinanced the bond at the end of 2016 and the new interest rate is 1.87%. The District has no other debt.

FIRE CHIEF ROGER JOHNSON AND SENATOR RON WYDEN MET WITH OTHER LOCAL LEADERS TO DISCUSS BENEFITS OF FUELS TREATMENT AROUND THE DISTRICT.

FINANCIAL POLICY OVERVIEW

1. To protect the policy making ability of the District by ensuring that important policy decisions are not controlled by financial problems or emergencies.
2. To enhance the policy making ability of the District's Board of Directors by providing accurate information on the program costs.
3. To ensure sound management of the District by providing accurate and timely information on financial conditions.
4. To provide sound principles to guide the important decisions of the District Board which have significant fiscal impact.
5. To set forth operational principles which minimize the cost of government and financial risk, and safeguard the District's assets.
6. To employ revenue policies which prevent undue or unbalanced reliance on certain revenue, which distribute the costs of service fairly, and which provide adequate funds to operate desired programs.
7. To provide essential public facilities and maintain the District's infrastructure.
8. To protect and enhance the District's credit rating and prevent default on any debt issue of the District.
9. To ensure the legal use of all District funds through a sound system of administrative policies and internal controls.

[Financial Policies of the District can be found here.](#)

Financial Policy Principles

The District's financial management is designed to ensure the fiscal stability of the District and to guide the development and administration of the annual operating and capital budgets.

The District will adopt and maintain a balanced budget in which total resources are equal to the total expenditures.

One of the primary responsibilities of the District to its citizens is the care of public funds and wise management of public finances. This District will provide adequate funding of the services desired by the public and the maintenance of public facilities.

FISCAL POLICY STATEMENTS:

1. All cash accounts owned by the District will be held in financial institutions which are federally insured and have received a favorable CRA (Community Reinvestment Act) rating.
2. All capital expenditures which exceed \$5,000 will be capitalized on the books and records of the District.
3. Employee paychecks and/or personal checks will not be cashed through the District's petty cash fund.
4. No salary advances will be made under any circumstances.
5. It is the policy of the District to reimburse out of pocket expenses only when supporting documentation has been presented for approved costs incurred.
6. It is the policy of the District to establish pay rates which equal or surpass the federal minimum wage.
7. Two signatures are required for all disbursements.
8. Bank statements will be reconciled monthly in order to account for any outstanding or lost checks.
9. Separate files will be maintained for each bank account and each vendor. Files will be kept separately for each fiscal year.
10. The services of a Certified Public Accountant will be engaged to prepare a formal financial audit of the District's fiscal year-end.

Authority:

The Board of Directors designates the Fire Chief as the custodial officer of all District financial accounts. The custodial officer has the responsibility to ensure that the District can meet day-to-day demands and also to ensure that the District can access the resources necessary to meet cash flow requirements during the months prior to receiving property taxes. Among those responsibilities are:

- Recommending Board action on cash-flow requirements,
- Taking the steps necessary to ensure that the District has the operating resources necessary to meet its cash-flow needs, and
- Developing contingency plans for those years when the District falls short of its cash flow needs.

In the absence of, or at the request of the Fire Chief, the Deputy Chief will have the authority and responsibility to manage the District's financial accounts.

Debt Policy:

The District has a fundamental philosophy of funding its programs, including capital outlay programs, through the use of General Operating Fund dollars whenever possible. Nevertheless, the District recognizes that at times long- or short-term funding may be necessary to maximize the value that the District provides to its stakeholders. A debt financing policy is in place and can be found in the Book 2-Administration Policies 2-8-15 for further details. This policy addresses a comprehensive planning and financing system. Long-term debt must generally be limited to one-time capital improvement projects. Short-term debt is limited to 5% of net operating revenues and should be retired within the fiscal year issued.

Capital Expenditures:

Capital Expenditures are funds the District intends to spend to buy, maintain, or improve its fixed assets, such as buildings, vehicles, equipment, or land. It is considered a capital expenditure when the asset is newly purchased.

STRATEGIC GOALS AND STRATEGIES

The Sisters-Camp Sherman Fire District has been operating within the framework of a customer-centered Strategic Plan since 2004. The strategic planning process has allowed the District to prioritize and focus its efforts and resources towards the completion of community and organizational goals. The District's Strategic Plan (Plan) was updated in 2019, and was designed to guide the District for three to five years. This plan is vision driven and focused on the work that it sees as necessary to advance that vision. The Plan is based on community-wide feedback, as well as analysis from District staff, volunteers, and committee members on the organization's strengths, weaknesses, opportunities, and threats.

Each goal identifies desired outcomes, objectives, timelines, and critical tasks necessary to meet the goals. These goals are considered valid for the life of the plan; objectives are dynamic and provide a living action plan for the Management Team to identify, track, and report on the progress toward the adopted goals.

Approximately 60% of the identified goals have been completed within the current Plan, and the FY 22/23 budget includes funding for consultation services to facilitate the creation of an updated plan. Goals and objectives not completed within the current Plan will either be included in the 2022 plan update, or will be evaluated to determine if they still remain a priority for the District.

Strategic Plan Goals

The Plan identifies goals to be accomplished during the timeframe of the plan. Each goal is defined in detail within the Plan with desired outcomes. During the budget process, the internal budget team reviews the Plan and identifies draft annual priorities related to the Plan to present to the Board of Directors for the upcoming budget. Once the draft priorities are adopted by the Board, the internal budget team directs funds to line items that will support completion of priorities.

The Strategic Plan identifies the following organizational goals:

1. Provide emergency response services capable of meeting current and future service demands.
2. Provide effective community risk reduction and public education programs.
3. Ensure District financial management practices contribute to the achievement of organizational goals and objectives.
4. Enhance internal and external communications.
5. Collect, evaluate, and utilize data effectively to enhance planning and emergency service delivery.

Board Priorities Specific to the 2022/23 Fiscal Year

Each Goal within the Plan identifies implementation tasks and defines service outcomes in the form of measurable performance objectives and targets. A link to these details can be found below. In addition, the District's Board of Directors has adopted specific priorities for the year that allows staff to direct funding and focus efforts on the completion of the overall Strategic Plan Goals. For Fiscal Year 22/23 the Board priorities are specifically focused on Strategic Plan Goals 1, 2 and 5. Board priorities should be completed within the fiscal year (July 1 – June 30).

Sisters-Camp Sherman Fire District Customer-Centered Strategic Plan

Strategic Plan Goal #1: Provide emergency response services capable of meeting current and future service demands.

2022/23 Board Priorities Related to Strategic Plan Goal 1:

- ❖ Implement recommendations from feasibility study on Basic Life Support (BLS) transport program and Staffing Needs Assessments for enhanced staffing capacity.
- ❖ Enhance resilience of District facilities based on evaluation of existing facilities and their capability to function independent of utilities for an extended period of time.
- ❖ Apply for extension of FEMA SAFER grant in order to maximize grant funding for grant projects impacted by the COVID Pandemic.
- ❖ Develop a plan for the retirement of fleet maintenance position to ensure fleet continues to be maintained in accordance with National Fire Protection Agency (NFPA) standards.
- ❖ Update Fleet Replacement Plan to ensure fleet is maintained in accordance with industry recommendations and ensure adequate funding in the Equipment Reserve Fund.

To support the Board Priorities related to Strategic Plan Goal #1, the District has provided funding in the following areas:

Operations Department (page 77/78)

- Funding for enhanced staffing which includes salary and benefits for hiring additional staff based on recommendations from the BLS feasibility study and staffing needs assessment.
- Funding for adding a new module to the District's Vector Solutions software to manage various assets including apparatus, facilities, equipment and supply inventory. This program will enable staff to utilize a centralized, uniform method of managing various programs, reducing man-hours and thereby reducing costs related to program management and waste associated with these programs.

- Funding for engineering/electrical upgrades to the Station 701 generator have been included to add the Station 701 Watch Room and apparatus bays to the existing generator.

Maintenance Department (page 88)

- Continued funding of the Mechanic position salary and benefits. This position will work closely with the Deputy Chief of Operations to update Fleet Maintenance Schedule and assist with hiring a qualified replacement.

Volunteers Department (page 98)

- Continued funding for the FEMA SAFER Grant position and materials and supplies. District staff plans to apply for an extension of the grant period of performance in order to maximize the allocated funding set aside in the grant. The current end of the period of performance is mid-November 2022 and a grant extension cannot be applied for until 30-60 days prior to that date.

Building Reserve Fund (page 106)

- Funding has been set aside for Station 704 emergency generator prep work. This substation currently does not have any generator power. This work is required to be completed before the District can apply for grant funding for adding a generator to this facility. Because this Station is the only emergency services facility in the Metolius Basin and houses both the Fire District and Jefferson County Sheriff's Office Deputy for the area, it is important to ensure this facility can function independent of utilities for an extended period of time.

Equipment Reserve Fund (page 107)

- Continued funding for the District's fleet with an annual vehicle transfer. In addition, the District has applied for a Federal Emergency Management Agency (FEMA) Assistance to Firefighters Grant (AFG) for purchase of a Type 1 Fire Engine. This grant, which has a five percent cost-share, has been budgeted this FY.

Strategic Plan Goal #2: Provide effective community risk reduction and public education programs.

2022/23 Board Priorities Related to Strategic Plan Goal 2:

- ❖ Develop a plan for implementation of defensible space standards established by the Oregon Office of State Fire Marshal that are consistent with the wildland urban interface (WUI) code as a part of Senate Bill 762.

To support the Board Priorities related to Strategic Plan Goal #2, the District has provided funding in the following areas:

Administration Department (page 64/65)

- Continued funding of the District's Fire Safety Manager position salary and benefits. This position oversees the community risk and fire safety programs within the District and also manages the Fire Corps Volunteer Program Coordinator.

Volunteer Department (page 98)

- Added funding for the Fire Corps Volunteer Coordinator position to help offset costs associated with this position's time spent recruiting and maintaining a healthy Fire Corps roster. These volunteers perform wildfire home safety assessments among other prevention and safety programs to assist District staff.
- Added funding to create an additional resident volunteer position to assist the Fire Safety Manager and Fire Corps program manager. This resident volunteer will focus their education on community risk and wildfire safety. Funding is included in tuition/books and reimbursements as well as training/conferences.
- Continued funding of the Fire Corps program. Fire Corps volunteers supplement District programs including wildfire risk, operational incident support and injury prevention.

Strategic Plan Goal #5: Collect, evaluate and utilize data effectively to enhance planning and emergency services delivery.

2022/23 Board Priorities Related to Strategic Plan Goal 5:

- ❖ Complete a new Strategic Plan.
- ❖ Review ISO scoring from previous rating and implement strategy to improve rating to Class 2 ISO organization.

To support the Board Priorities related to Strategic Plan Goal #5, the District has provided funding in the following areas:

Administration Department (page 64/65)

- Funding within the Contract Services line item to hire a consultant to help facilitate a new customer-centered strategic plan that will help build a shared vision with the community, employees and volunteers of the District.
- The District has continued funding within the Contract Services line item for software and IT/computer support services to ensure staff are able to access data programs for identified projects including collection of data needed for ISO rating.
- The District has set aside funding for upgrading the District's office equipment including: new server upgrades and additional hardware as per the District's computer replacement schedule.

Operations Department (page 77/78)

- Additional funding has been allocated within the Data Management line item to add a new software module to the District's Vector Solutions software to manage various assets including apparatus, facilities, equipment and supply inventory. This program will enable staff to utilize a centralized, uniform method of managing various programs, reducing man-hours and thereby reducing costs related to program management and waste associated with these programs. This software will help assist with data collection needed for ISO rating.

Board Priorities Specific to the Prior Fiscal Year – 2021/22

1. Maintain volunteer staffing at identified levels.

- a. Status: 90% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.
- b. Achievements:
 - i. Station 701
 - 1. 20 Firefighter Volunteers
 - 2. 3 Emergency Medical Technicians
 - 3. Fire Officer/Engineer Available
 - 4. Resident Volunteer Lieutenant Available
 - ii. Station 703
 - 1. 7 Firefighter Volunteers
 - 2. Fire Officer/Engineer Available
 - iii. Station 704
 - 1. 4 Firefighter Volunteers
 - 2. Engineer Available
 - iv. 35 Fire Corps Volunteers
- c. Issues:
 - i. Low resident population within the District makes volunteer recruitment challenging.
 - ii. The timeframe to train officers will extend beyond this fiscal year.
- d. Risks:
 - i. Qualifying an Officer at Station 704 within this fiscal year will be a challenge.
- e. Next Steps:
 - i. Focus Volunteer Recruitment and Retention Officer efforts on recruitment of additional volunteers in Camp Sherman. A spring Open House event is scheduled for this area.
 - ii. Prioritize engineer and fire officer training for existing Station 704 firefighter volunteers. A driver training is currently in process.
 - iii. Recruit resident volunteers specifically for Station 704. Two are planned for move-in in June 2022.

2. Complete a feasibility study to implement a basic life support (BLS) transport program.

- a. Status: 70% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.
- b. Achievements: Research is complete. Data has been analyzed and compiled. Report is being finalized with a first draft to Chief Johnson prior to June 1, 2022.
- c. Issues: None.
- d. Risks: None.
- e. Next Steps: Finalize draft report with recommendations to present to the Board of Directors and allocate funding within the next fiscal year budget.

3. **Develop a plan for the end of the Volunteer Recruitment and Retention position.**
 - a. Status: 10% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.
 - b. Achievements: Recruitment and Retention Officer (R&RO) Cramer is the lead on this project. He has been briefed on the goals and is in process of developing a plan to move forward with the project.
 - c. Issues:
 - i. The R&RO position has seen some turnover since the grant period of performance started. This has delayed some of the progress of completing the plan.
 - d. Risks: No foreseeable risks in completing this plan.
 - e. Next Steps:
 - i. Determine if there is interest from Cloverdale and Black Butte Ranch Fire Districts to cost share the funding of this position after the grant period of performance ends.
 - ii. Finalize the last date of employment based on remaining funds for the R&RO.
 - iii. Ensure plans are in place to transition responsibilities to someone else prior to the end of the grant period.
4. **Community risk reduction programs will be based on local data and risk.**
 - a. Status: 75% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.
 - b. Achievements: 911 call data has been evaluated to determine priorities. A gap analysis was conducted on existing programs to determine if any new programs are needed. Existing programs were prioritized based on need.
 - c. Issues: None.
 - d. Risks: None.
 - e. Next Steps: Allocate funding within the 22/23 budget to meet risk reduction priorities.
5. **Monitor and support enhancements to the Ground Emergency Medical Transport (GEMT) Program.**
 - a. Status: 100% complete as of May 1, 2022.
 - b. Achievements: The GEMT Program was revised to include not only Fee for Service (FFS) transports, but also Coordinated Care Organization (CCO) transports. District staff attended information meetings to learn more about the program, completed CCO contracts and received CCO fees for the allowed period in the amount of \$43,961.
 - c. Issues: None.
 - d. Risks: None.
 - e. Next Steps: Continue to monitor the program and complete required reports to ensure continued funding as long as it is available.
6. **Meet or exceed Board adopted goals for Public Employee Retirement System (PERS) funding.**
 - a. Status: 90% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.

- b. Achievements: The District has budgeted a fixed amount of \$78,000 per year for the next 15 years to be allocated to the PERS Reserve account for future expenditures. The payments will be used to pay down the District's PERS transitional liability created when the District joined the State and Local Government Rate Pool (SLGRP).
- c. Issues: None.
- d. Risks: None.
- e. Next Steps: Make budgeted transfer to the PERS Reserve Fund in the FY 21/22 Budget. Allocate any additional surplus funds within the budget to increase future PERS reserve transfers (the FY 22/23 budget assumes an additional transfer to the PERS Reserve in the amount of \$44,623. Finalize threshold for making the first transitional liability payment. The internal budget work group is projecting a payment of \$500,000 in the FY 25/26 budget.

7. Department members are aware of the goals and activities of the organization.

- a. Status: 100% complete as of May 1, 2022.
- b. Achievements:
 - i. The District budget, strategic plan and master plans are available to all personnel.
 - ii. Staff meetings are held monthly with all career personnel.
 - iii. Volunteer personnel are kept informed of organizational goals and programs.
 - iv. Personnel are aware of organizational performance in relation to the adopted Standards of Coverage.
 - v. A presentation was delivered to all District personnel on January 25, 2022 via Zoom. 42 District staff and volunteers attended the training.
 - vi. Board priorities for the year and progress reports were emailed to all staff throughout the year.
- c. Issues: None.
- d. Risks: None.
- e. Next Steps: Continue to hold monthly staff meetings, provide updates on Board priorities to all staff and at Association meetings. Prepare and distribute Annual Reports to all personnel annually. Provide annual Standards of Coverage compliance report to all personnel annually.

8. Emergency response performance and staffing shall be evaluated annually.

- a. Status: 100% complete as of May 1, 2022.
- b. Achievements: Annual Report and Standards of Coverage Audit and Compliance Reports were completed and provided to all personnel.
- c. Issues: None.
- d. Risks: None.
- e. Next Steps:
 - i. Annual emergency responses are audited by March 1 each year. Audit shall include number and type of responses, staffing per incident, response data by

station, advanced life support (ALS) versus basic life support (BLS) transports, mutual aid responses and move-ups.

9. **Evaluate current data collection practices to identify gaps, duplication and relevance of data.**
- a. Status: 25% complete as of May 1, 2022. On schedule to be completed by June 30, 2022.
 - b. Achievements:
 - i. Emailed stakeholders seeking concepts for data enhancement.
 - ii. Met with administrative staff to identify needs.
 - iii. Developed a work plan of issues to address.
 - c. Issues: None.
 - d. Risks: None.
 - e. Next Steps:
 - i. Evaluate data and reports currently collected to ensure relevance.
 - ii. Eliminate data collection that is not used to enhance services and oversight.
 - iii. Add new data projects as necessary.
 - iv. Continue to monitor software and programs to ensure good data is entered and programs are effective for information input and extraction.
 - 1. Funding has been allocated for the FY 22/23 Budget for server replacement, replacement computer hardware and software program upgrades.

FIREFIGHTER BILL HAYES OPERATING A DECK GUN FOR FIRE EXTINGUISHMENT ON A TRAINING EXERCISE

Transfers Out	(369,750)	(596,717)	(570,245)	(515,256)
Total Other Financing Sources (Uses)	-	-	-	-
Excess of Revenues Over (Under) Expenditures	(1,095,337)	414,640	492,733	(403,609)
Beginning Fund Balance	3,512,938	2,417,601	2,832,242	3,324,975
Ending Fund Balance	2,417,601	2,832,242	3,324,975	2,921,366
Increase/Decrease in Fund Balance	-31%	17%	17%	-12%

Projected fund balance for 2022/23 is expected to decrease by 12% over the prior year. However, it is important to note this amount represents the minimum fund balance the District would end the fiscal year with, as operating contingency is appropriated and all line-item accounts are reflected to be spent to zero. Since contingency is only spent for unforeseen circumstances and line-item accounts are never completely spent in their entirety, this amount will more than likely be higher and carried forward in the ensuing fiscal year as beginning fund balance.

Changes in Ending Fund Balance

Financial Overview – Breakdown by Fund**GENERAL OPERATING FUND**

Total Expenditures		3,497,686	3,839,588	3,724,912	4,662,777
Ending Fund Balance		1,646,878	1,751,757	1,858,373	1,178,679

EMPLOYMENT RESERVE FUND

		2019/20	2020/21	2021/22	2022/23
		Actual	Actual	Projected	Budget
Revenue					
	Transfers In	-	161,471	163,680	122,623
	Beginning Fund Balance	1,083,939	-	161,471	295,107
Total Revenue		1,083,939	161,471	325,151	417,730
Expenditures					
	PERS Reserve for Future Expenditure	1,000,000	-	-	282,094
	Reserved for Future Expenditure	83,939	-	30,044	135,636
Total Expenditures		1,083,939	-	30,044	417,730
	Increase or Decrease in Fund Balance	(1,083,939)	161,471	133,636	122,623

PERS Reserve for Future Expenditure is monies set aside to help offset the transitional liability incurred from the District joining the State and Local Government Rate Pool (SLGRP) and to help offset future rate increases. Reserve for future expenditure is monies set aside for unanticipated costs for labor, separation of service, vacation and retirement payouts. The Board of Directors set a goal of setting aside \$78,000 per year for 15 years in the PERS Reserve. This budget assumes an additional \$44,623 to be transferred into that fund for a total of \$122,623.

BUILDING RESERVE FUND

		2019/20	2020/21	2021/22	2022/23
		Actual	Actual	Projected	Budget
Revenue					
	Transfers In	85,750	134,826	89,100	80,450
	Beginning Fund Balance	102,166	162,623	194,856	233,920

	Reserved for Future Expenditure	-	-	-	196,290
Total Expenditures		25,293	102,593	50,036	314,370
	Increase or Decrease in Fund Balance	60,457	32,233	39,064	(37,630)

The District created a Facilities Master Plan to save for future expenditures related to maintaining its current buildings at \$2.00/sq. ft. which is \$60,450 per year. Specific projects outside of related maintenance are in addition to this reserve. Maintenance items to be

completed in the upcoming year include interior paint, door security upgrades and AV system upgrades to Station 701; exterior/interior paint at Station 703; and emergency generator prep at Station 704.

EQUIPMENT RESERVE FUND

		2019/20	2020/21	2021/22	2022/23
		Actual	Actual	Projected	Budget
Revenue					
	Transfers In	284,000	300,420	317,465	312,183
	Beginning Fund Balance	677,060	557,251	678,230	877,179
	Grant Revenue	-	114,360		1,102,571
Total Revenue		961,060	972,031	995,695	2,291,933
Expenditures					
	Vehicles	349,301	249,597	-	725,000
	EMS Equipment	11,876	1,675	-	437,632
	Fire Equipment	42,632	5,560	118,516	61,529

Total Expenditures		403,809	293,801	118,516	2,291,933
	Increase or Decrease in Fund Balance	(119,809)	120,979	198,949	190,593

The District created an Apparatus and Equipment Master Plan allowing for a scheduled fleet replacement plan as well as replacement of EMS and Fire equipment. Annual contribution for fleet replacement plan is \$256,791; EMS equipment is \$22,947; and Fire Equipment is \$32,445.

This budget assumes receipt of four grants: Federal Emergency Management Agency (FEMA) Assistance to Firefighters (AFG) joint grant with three Northwest Fire agencies (Sisters-Camp Sherman, Black Butte Ranch and Cloverdale Fire Districts) in the amount of \$389,200 for purchase of cardiac monitors and cardio pulmonary resuscitation (CPR) devices; FEMA AFG grant in the amount of \$725,000 for purchase of a Type 1 Fire Engine; FEMA AFG grant in the amount of \$33,000 for purchase of 2.5" and 1.75" attack hose; and a Volunteer Fire Assistance (VFA) grant in the amount of \$20,000 for purchase of radio equipment.

In addition to the items planned to be purchased through the grants, the District plans to purchase a new CPR Compression system (carryover from FY 21 that was delayed), a Stryker Powerload gurney system for ambulance 775, and a Holmatro vehicle liftbag set.

GENERAL OPERATING FUND REVENUE

The District's permanent tax rate of \$2.7317 per \$1,000 of assessed value was established by the Oregon Department of Revenue through the passage of Ballot Measure 50 in May 1997. Ballot Measure 50 also established a permanent tax rate for each taxing authority in the State, based on the entity's previous tax levy and assessed valuation at the 1995/96 value, less ten percent. Ballot Measure 50 limits increases in assessed valuation of each property to three percent per year, with special exemptions for property that is improved, rezoned, subdivided, or ceases to qualify for exemption. However, if real market value (RMV) falls below a property's maximum assessed value (MAV), the lower of the two becomes the assessed value (AV) for which property taxes are calculated on. This continues each year until the real market value exceeds the MAV.

District resources include property taxes, ambulance billings, ground emergency medical transport (GEMT) program revenue, fire contracts, FireMed subscriptions, and other sources. Property taxes are the District's main source of income. The FY 2022/23 budget is projecting a 5.8% increase in total Taxable Assessed Valuation from the previous Fiscal Year for Deschutes County and a 2.9% increase for Jefferson County with a 96% collection rate. These projections are determined based on information provided by the Deschutes and Jefferson County Assessors. The projected property taxes to be received in 2022/23 are \$2,972,134 for Deschutes County and \$268,040 for Jefferson County. Prior year taxes are estimated to be an additional \$50,000 combined for both counties. The District continues to maintain a conservative approach when budgeting property taxes as seen in the graph below which illustrates budgeted tax dollars versus actual dollars received.

The Beginning Fund Balance is the second largest resource within the FY 2022/23 budget. The beginning fund balance consists of all unspent dollars from the prior fiscal year which includes prior contingencies and reserves. The beginning fund balance increased from a budgeted \$1,651,842 to \$1,751,757 actual in the Fiscal Year 2021/22. This was primarily due to additional property tax revenues received above projections and lower expenditures than projected for the 2020/21 Fiscal Year. For FY

2022/23, the proposed beginning fund balance is \$1,858,373, a 12.5% increase from the budgeted FY 2020/21 amount. This increase is attributed to lower training costs (overtime, travel, lodging and class fees) due to COVID restrictions, higher than anticipated tax collection and additional Ground Emergency Medical Transport (GEMT) program funding that was unanticipated.

Ambulance revenues have increased slightly along with total call volume. During 2021, the District responded to 1,222 emergencies including 51 fire-related calls and 965 EMS related calls. Emergency call volume increased 8% from last year. The District saw a significant decline (71%) in patients seeking treatment at the main fire station for the second straight year. This is likely attributable to COVID. The District responded to 181 back-to-back incidents. Back-to-back incidents occur when a second incident is dispatched prior to the completion of the first incident.

The District applied for a FEMA SAFER grant for Volunteer Recruitment and Retention in 2018 and was awarded about 2/3 of what was requested. This is a 4-year grant which covers a Coordinator and assumes the increase of 10 volunteers per year. This grant is in coordination with Cloverdale and Black Butte Ranch Fire Districts. This is the fourth and final year of the grant period of performance. Due to COVID, the District was not able to maximize use of grant funds during the period of performance. The District plans to apply for a grant extension 30-60 days prior to the end of the period of performance in order to utilize the maximum amount of grant funds allotted. The District has applied for four additional grants for this fiscal year including: FEMA AFG grant (joint application with Black Butte Ranch and Cloverdale Fire Districts) for EMS equipment, FEMA AGF grant for a Type 1 Engine, FEMA AFG grant for fire equipment and VFA grant for communications equipment.

Engine company response is another service the District offers to out-of-district residents for a fee when called to respond to motor vehicle accidents on state highways. The District billed for two engine company responses last year, which was a decline over previous year.

SIGNIFICANT BUDGETARY CHANGES

GEMT. The District received funds for the Ground Emergency Medical Transport Program in FY 21/22 in the amount of \$43,961 as of 4/30/22, which consisted mostly of Coordinated Care Organization (CCO) transports. This was a new program that funded during FY 21 and is expected to continue this FY in addition to the Fee for Service (FFS) program. The number of (FFS) transports declined for the second year in a row, therefore the District does not anticipate receiving a large payment for GEMT in this budget. The District expects to receive FY 21 (FFS) revenue prior to June 30, 2022.

Interest Income. Interest rates with the LGIP are expected to increase from 0.50% as of April 2022 to 0.65% to 0.75% effective May 10, 2022.

Grant Revenue. The District received the FEMA Safer Grant for Volunteer Recruitment and Retention. This is the fourth and final year of the grant. The FEMA grant is expected for \$149,095 this budget year. An additional \$2,000 in Oregon Department of Transportation (ODOT) grant funds are expected for purchasing child safety seats for the car seat program coordinated through Fire Corps.

Conflagration Revenue. These are funds received to reimburse the District for staff and equipment sent for conflagrations outside the District. The District received \$9,257 for one conflagration to the Patton Meadow Fire in FY 21/22. As it is difficult to know if the District will be called out on any conflagrations, a placeholder amount of \$50,000 has been included. A conflagration overtime expenditure of the same amount is budgeted in the Operations Personnel Services department.

Miscellaneous Revenue. The District does not have any large surplus property planned to sell this year. As such, a small amount is budgeted for the potential closing of sale on the Tollgate Fire Station 702, clothing sales and other miscellaneous income.

Other Fees for Service. This is decreased substantially due to the removal of the Cloverdale Contract fee that was budgeted to be received if the Cloverdale Fire District Levy passed and the District entered into a shared services agreement with their agency. The levy did not pass and therefore \$11,715 has been budgeted for receipt of fees due to fire contracts, fire apparatus response, community room revenue, CPR/First Aid classes and address signs.

The following graphs portray a historical view of the other revenue categories:

Interest income is earned from money the District has invested in the Local Government Investment Pool (LGIP). The LGIP is an open-ended, no-load diversified portfolio administered and backed by the Oregon State Treasury. The LGIP is commingled with the State's short-term funds. Very small amounts of interest are also earned from the Counties each month.

FireMed Subscriptions

The District contracts with Life Flight to administer its FireMed subscriptions for a 25% administration fee charged by Life Flight. Subscriptions are expected to hold steady this year. Subscribers are allowed \$0 copay for ambulance transports from the District. The District is still able to collect allowed user fees from insurance.

Other fees for service include fire contracts, fire apparatus response, community room revenue, address signs, and CPR/First Aid classes. COVID impacted the District's ability to host CPR/First Aid classes. This revenue is expected to be back to normal this FY.

Other Fees for Service

Miscellaneous Revenue

Miscellaneous revenue consists of photocopies, public records copies, research fees, vehicle and equipment surplus sales, t-shirt and hat sales, and any other non-anticipated income. In FY 22/23, the District expects minimal miscellaneous revenue. Large fluctuations can occur when surplus apparatus and equipment are sold.

Grant revenue comes from Local, State, and Federal sources. The District budgeted to receive \$149,095 for the Volunteer R&R Grant. The District has not spent the full amount allocated in the FY 21/22 budget for the FEMA SAFER Grant and has not sought reimbursement for the full amount. The District also received an ODOT Car Seat reimbursement grant for \$2,000.

Grant Revenue

ADMINISTRATION DEPARTMENT

The Administration Department includes the functions of the Fire Chief, Fire Safety Manager, Finance Manager, Executive Assistant, Office Assistant, and other office staffing. The Fire Chief acts as the Chief Executive Officer and provides direction, supervision, coordination, and general support to the District's overall operations.

Administration supports the District in the achievement of its mission and vision by overseeing areas pertaining to strategic planning, policy development, staffing and personnel management, risk management, and Civil Service. In addition, support is provided to the District's Board of Directors, Budget Committee members, and the Civil Service Commissioners.

Finance provides financial accounting, budgeting, payroll, benefits, and reporting services for the District along with cash management and investments, fixed asset management, contract management, and strategic financial forecasting. Finance monitors all department budget activity and assures compliance with Oregon Local Budget Law.

The Fire Safety Manager is responsible for the District's community risk and fire prevention. This position is a half-time position and is largely supplemented from volunteers in the community through Fire Corps, and a volunteer Public Education Coordinator. Services to the community from this position include:

- Plan reviews for new construction to meet requirements of the Oregon Fire Code
- City of Sisters Business License Inspections
- Commercial and Industrial Fire Safety Inspections conducted by a certified Inspector
- Fire Cause and Origin Investigations in concert with Oregon State Fire Marshal's Office
- Wildfire Safety such as NFPA Firewise, Local FireFree, and IAFC Ready, Set, Go Programs
- Engine Company Fire & Life Safety Evaluations for low hazard businesses
- Home fire safety consultations
- Fire Corps Program
- Fire safety education and public awareness programs for all ages, school, home, and businesses
- Fire station tours
- Regularly scheduled CPR and First Aid classes by certified instructors
- Child safety seat clinics
- Residential smoke alarm program
- Address sign program
- Senior Safety Alliance

FIRE CHIEF ROGER JOHNSON IS PRESENTED WITH THE COMMUNITY CHAMPION AWARD FOR HIS EFFORTS IN MAKING THE SISTERS COMMUNITY MORE RESILIENT. PICTURED LEFT TO RIGHT: EMME SHOUP, CITY OF SISTERS; CHIEF JOHNSON; TAMMY BANEY, DESCHUTES COUNTY.

The Administration Department works very closely with the other departments to provide human resource support, website administration, and legal, fiscal, and insurance compliance as well as public information dissemination.

Funding in the Administration Department supports the following Board Priorities for FY 22/23:

- Develop a plan for implementation of defensible space standards established by the Oregon Office of State Fire Marshal that are consistent with the wildland urban interface (WUI) code as a part of Senate Bill 762.
- Complete a new strategic plan.
- Review ISO scoring from previous rating and implement strategy to improve rating to a Class 2 ISO organization.

BUDGET SUMMARY FOR ADMINISTRATION

Expenditures	2019/20 Actual	2020/21 Actual	2021/22 Budget	2022/23 Proposed
Personnel Services	\$461,992	\$460,214	\$588,716	\$542,208
Materials and Services	\$188,211	\$211,368	\$197,951	\$217,154
Capital Outlay	\$1,399	\$1,115	\$9,350	\$22,696
TOTAL	\$651,602	\$672,697	\$796,017	\$782,058

SIGNIFICANT BUDGETARY CHANGES

- **Fire Chief.** The salary for this position is negotiated by contract between the Board of Directors and the Fire Chief. This budget assumes a 4% cost-of-living adjustment and 1% longevity incentive subject to approval by the Board.
- **Executive Assistant.** The Executive Assistant position remains under the hybrid Executive Assistant/Finance Manager role created last year while continuing education to earn a Bachelor's Degree in Accounting.
- **Office Assistant.** This position was increased to half-time during this budget.
- **Compensation Increases.** A 4.0% cost of living adjustment was made to the Salary Schedule and steps for all positions within the scale were adjusted. In addition, longevity pay was approved by the Board of Directors at 1% for employees at years 10, 15 and 20. The Executive Assistant will receive longevity pay in the amount of 3% for 20 years of service to the District.
- **PERS.** PERS rates that took effect in July 2021 will remain for a two-year cycle.
- **VEBA.** Since moving the Office Assistant to half-time, the position qualifies for either health insurance or VEBA. The Office Assistant opted out of insurance as she already has coverage and will be eligible for a VEBA contribution in lieu of insurance.
- **Insurance.** The District's property and liability insurance is expected to increase approximately 9.3% in this budget.

- **Contract Services.** This budget has been increased to cover the cost of preparing for a Centers for Medicare/Medicaid Services (CMS) ambulance revenue survey that has been required of the District. Computer support services also increased to cover the cost of installation of a new server.
- **Office Equipment.** The District has budgeted to purchase three laptops. Two laptops have reached the end of their useful life and a third will be purchased for the Fire Corps Program and shared with the Prevention Resident Volunteer. An additional computer will be purchased for video editing for the training division. The District also plans to replace the server as it is seven years old and has reached the end of its useful life.

DISTRICT PERS RATE HISTORY

	Employee 6%	Tier 1 / Tier 2	OPSRP	
			Police/Fire	General Service
FYs 2013/15	6%	17.13%	11.67%	8.94%
FYs 2015/17	6%	20.81%	16.43%	12.32%
FYs 2017/19	6%	29.30%	22.67%	17.90%
FYs 2019/21	6%	33.26%	25.02%	20.39%
FYs 2021/23	6%	32.46%	27.68%	23.32%

The PERS rates for FY's 2021/23 were stabilized somewhat when the District joined the State and Local Government Rate Pool (SLGRP) (a pool of special districts in Oregon) rather than relying on the District's sole experience. PERS Advisory Rates calculated as of December 31, 2020 show Tier 1/Tier 2 increasing 1.9%, OPSRP Police/Fire increasing 3.03% and OPSRP General Service increasing 2.64%. This advisory does not impact employer contribution rates; it is just an advisory as the FY 2023/25 rates will be calculated in the December 31, 2021 actuarial valuation. The side account value deposited in 2019 was valued at \$1,500,000 and as of 12/31/2020 (last valuation date) was \$1,558,293.

The District currently has four full-time employees enrolled under the Tier1/Tier2 retirement plan. Two part-time employees are also enrolled in Tier 1/Tier 2 plan. All new employees are hired under OPSRP unless they are already a Tier1/Tier2 PERS member. The District currently has three employees participating in the PERS Work After Retirement Program. This saves the District 6% of each of their salary. This savings is being redirected at paying down the PERS unfunded actuarial liability for the District.

Administration Cost Center Performance Measures

PERFORMANCE MEASURE	GOAL	2019	2020	2021
A1. Department receipt of GFOA Distinguished Budget Presentation award	Earn Annually	Awarded	Awarded	Awarded
A2. Number of audit material weaknesses or significant deficiencies	0	0	0	0
A3. Percent of engine company billings received	Earn 75%	*42%	*64%	*0%
A4. Number of Firewise Community certificates awarded	Add 1 Annually	*0	*1	*0
A5. Number of fire and life safety evaluations of businesses performed	100/Year	*64	*18	*14
A6. Number of false alarms within the District	<49	33	34	31

Performance Measure A1 – The Fire District was awarded the Government Finance Officer Association’s Distinguished Budget Presentation Award for the seventh consecutive year. The Distinguished Budget Presentation Award is the highest award in governmental Budgeting. In order to receive the budget award, the District had to satisfy nationally recognized guidelines for effective budget presentation.

Performance Measure A2 – The District contracts with Pauly, Rogers and Co., P.C. to conduct an annual audit. The audit was conducted using sampling, inquiries and analytical work to opine on the fair presentation of the basic financial statements and compliance with generally accepted accounting principles and auditing standards as well as the Oregon Municipal Audit Law and related administrative rules. The auditors found zero material weaknesses or significant deficiencies within the financial statements.

Performance Measure *A3 – Engine company billings began in 2017 with an estimated collection percentage. Historical collection rates indicate the goal may be unrealistic even with the increase in collections for 2020. Qualifying calls have decreased this fiscal year with only two current billings currently being worked. Collection of accurate insurance and fault information continue to be an issue with an effective billing and collections process.

Performance Measure *A4 – The District has not finalized the addition of any new Firewise communities as of May 1, 2022. While the Prevention and Safety Division does have one neighborhood in process, there have been significant delays due to COVID-19.

Performance Measure *A5 – Fire and life safety evaluations were significantly impacted by COVID-19 restrictions and closed businesses during the past two years. While the District has resumed some of its programs, this has continued to be an issue so far in 2022.

Performance Measure A6 – False alarms are deceptive or erroneous reports of emergencies. These types of alarms can cause unnecessary panic and/or take needed resources out of service to a place they are not needed. Response to false alarms increases the District’s reliability on mutual aid. It is a goal of the District to reduce the number of false alarms in the District through prevention and education. This goal was met in 2021.

Additional Administration Accomplishments for 2021/22

- Continuing the tradition started in 2020, the District prepared and published two preparedness campaigns, one in the spring and one in the fall in hopes of helping residents and visitors to be prepared and ready for any disaster in Sisters Country.
- Executive Assistant Julie Spor earned her Associates of Arts Oregon Transfer degree, and is continuing her educational goals at Eastern Oregon University to earn a Bachelor’s Degree in Accounting.

PICTURED ABOVE: COMMAND STAFF FROM AREA FIRE DISTRICTS, INCLUDING CHIEF JOHNSON ATTENDED INCIDENT COMMAND TRAINING.

OFFICE ASSISTANT SARAH BIALOUS (LEFT) HAS BEEN MOVED TO HALF-TIME AT 20 HOURS PER WEEK DURING THIS BUDGET. HER HUSBAND JASON PICTURED RIGHT.

OPERATIONS DEPARTMENT

The Operations Department includes the functions of the Deputy Chief of Operations, Firefighter/Paramedics, and Shift Commanders. Three work shifts are staffed by a Shift Commander/Paramedic, and two career Firefighter/Paramedics. Career staff work 48-hour shifts with 96 hours off. The District plans to implement recommendations from the feasibility study of Basic Life Support (BLS) transport program and Staffing Needs Assessment this fiscal year. As a result, funding has been added to this Department for wages and benefits. The Deputy Chief of Operations works a 40-hour workweek with responsibility overseeing the emergency operations function of running the District. Staffing is augmented with Resident Volunteers (who live at the fire station and attend school), and other Volunteers.

Operations supports the District in the achievement of its mission and vision by overseeing areas pertaining to training, fire suppression, ambulance transport, emergency medical service, and other public service calls.

Funding in the Operations Department supports the following Board Priorities:

- Implement recommendations from feasibility study on Basic Life Support (BLS) transport program and Staffing Needs Assessment for enhanced staffing capacity.
- Enhance resilience of District facilities based on evaluation of existing facilities and their capability to function independent of utilities for an extended period of time.
- Update Fleet Replacement Plan to ensure fleet is maintained in accordance with industry recommendations and ensure adequate funding in the Equipment Reserve Fund.

The District is similar to most modern fire departments in that the majority of 911 emergency calls are for a medical emergency. In 2021, 79% of all emergency 911 calls received were for a medical emergency. All career firefighters are also paramedics. Many volunteer firefighters and administrative staff are also certified as paramedics or emergency medical technicians.

Training is an important component to our Fire District, and the safety of our employees and volunteers. Volunteer drill is held on Tuesday nights at 7 pm every week. Additionally, career staff and volunteers train throughout the year in order to earn new certifications and keep up on current certifications. Nine new career certifications were earned in 2021 along with 46 volunteer certifications.

FIREFIGHTER TRAINING AT THE LOCUST ST. TRAINING GROUNDS

BUDGET SUMMARY FOR OPERATIONS

Expenditures	2019/20 Actual	2020/21 Actual	2021/22 Budget	2022/23 Budget
Personnel Services	\$1,665,235	\$1,738,938	\$1,906,403	\$2,126,183
Materials and Services	\$113,844	\$129,132	\$154,706	\$183,284
Capital Outlay	\$8,907	\$216,723	\$0	\$0
TOTAL	\$1,787,986	\$2,084,793	\$2,061,109	\$2,309,467

NEW BUDGETARY SIGNIFICANT CHANGES

- **Compensation Increases.** A 4.0% cost of living adjustment was made to the Salary Schedule. In addition, longevity pay was approved at 1% for employees at years 10, 15 and 20. Three Shift Commanders will receive longevity pay in this budget for 10 (1%), 16 (2%), 22 (3%) years of service to the District.
- **Enhanced Staffing.** Salary has been added to this Department to implement recommendations from the feasibility study on Basic Life Support (BLS) transport program and Staffing Needs Assessment for enhanced staffing capacity.
- **VEBA.** Increased for this budget based on employees shifting from couple to family plans.
- **Fire Overtime.** This line item has been increased as historically fire overtime is being utilized more.
- **Data Management.** Staff has allocated funds to add a module to the Vector Solutions software that will help with management of assets including apparatus, facilities, equipment and supplies.
- **Immunizations and Tests.** This has been increased to cover the cost of mandatory COVID testing based on accommodations for unvaccinated employees.
- **Fees/Recert/Licensing.** This has been increased as State licensing for EMS licenses and vehicles has increased.
- **EMS Supplies.** This line was increased slightly this year due to inflationary costs and supplies related to continued COVID protocols.
- **Fire Equipment Supplies.** Increased funding for one-time purchases this FY including reciprocating saws for structure engines, a portable generator for vehicle 724, a blowhard positive pressure ventilation fan, a chainsaw replacement for vehicle 724 and a breakdown combo nozzle for vehicles 723/724.

- **Per Diem.** Increased to add \$1,500 for meals related to trainings within the District.
- **Business Expense.** Increased to add \$2,000 for operational-related meals for fires, large-scale emergency events.
- **Uniforms.** Increased funding for one-time purchase of Class A uniforms for Shift Commanders.

STANDARDS OF COVER MEASUREMENTS

The District has a Standards of Cover document created in 2013 which the District operates under for performance measurement. The District extracted data and created custom reports to audit against these standards. Staff updated the Standards of Coverage document and the Board adopted the new plan during the 19/20 Fiscal Year. The current Standards of Cover has **basic response expectations** as follows:

The following are the primary service delivery expectations for the Fire District. The District has created three (3) primary “Response Zones” within the District for measuring percentile performance. The definitions used within this standard were established based on recommendations contained in NFPA 1720.

Definitions:

- Urban: Those areas of the District which are located within the City of Sisters.
- Rural: Those areas of the District which are located outside the City of Sisters and within 8 road miles of Station 701.
- Remote: Those areas of the District which are not Urban or Rural.

Fire Suppression

Sisters-Camp Sherman Fire District provides structural fire response as follows:

- Urban: First due units will arrive within 8 minutes of receiving emergency call 80% of the time.
- Rural: First due units will arrive within 12 minutes of receiving emergency call 80% of the time.
- Remote: First due units will arrive within 30 minutes of receiving emergency call 80% of the time.

Medical

Sisters-Camp Sherman Fire District provides medical/EMS response as follows:

- Urban: First due units will arrive within 6 minutes of receiving emergency call 80% of the time.
- Rural: First due units will arrive within 12 minutes of receiving emergency call 80% of the time.
- Remote: First due units will arrive within 30 minutes of receiving emergency call 80% of the time.

Performance Measure O1 – The Standards of Cover (SOC) for the District outlines service delivery objectives within three primary response zones: urban, rural and remote. Urban are areas of the District located within the City of Sisters, rural are areas within the District located outside of the city and within eight road miles of Station 701, and remote are areas of the District which are not urban or rural. The SOC outlines the District’s first-due units will arrive on-scene to medical calls in urban areas within 6 minutes of dispatch, rural within 12 minutes of dispatch, and remote within 30 minutes of dispatch 80% of the time. Adopted standards for each of these response areas for medical were met for 2021.

Performance Measure *O2 - The Standards of Cover (SOC) for the District outlines service delivery objectives within three primary response zones: urban, rural and remote. Urban are areas of the District located within the City of Sisters, rural are areas within the District located outside of the city and within eight road miles of Station 701, and remote are areas of the District which are not urban or rural. The SOC outlines the District's first-due units will arrive on-scene to wildland fire calls in urban areas within 8 minutes of dispatch, rural within 12 minutes of dispatch, and remote within 30 minutes of dispatch 80% of the time. Adopted standards for each of these response areas for wildland fire calls were met for 2021.

Performance Measure O3 - The Standards of Cover (SOC) for the District outlines service delivery objectives within three primary response zones: urban, rural and remote. Urban are areas of the District located within the City of Sisters, rural are areas within the District located outside of the city and within eight road miles of Station 701, and remote are areas of the District which are not urban or rural. The SOC outlines the District's first-due units will arrive on-scene to structural fire calls in urban areas within 8 minutes of dispatch, rural within 12 minutes of dispatch, and remote within 30 minutes of dispatch 80% of the time. Adopted standards for each of these response areas for structure fire calls were met for 2021.

Performance Measure O4 – It is a goal of the District to manage emergency 911 calls with District personnel and resources without relying on mutual-aid partners 95% of the time. This goal was met for 2021.

Performance Measure *O5 - When Station 701 staffing levels are lower than the ability to minimally staff the next emergency call, the Shift Commander will request a "7PC" alerting any available personnel to return to Station 701 to backfill staffing. Changes in personnel call-back requirements, residency standards and employee personal availability have reduced 7PC coverage. District staff are finalizing a staffing analysis that began in the 19/20 FY to make improvements in this area.

Performance Measure O6 – It is a goal of the District for career and volunteer personnel to maintain 100% of current certifications. This goal was met for 2021.

Performance Measure O7 – Training and education are very important to mastering and maintaining skills for fire and emergency medical personnel. The District promotes and provides funding for continuing education and also allocated funding towards training overtime costs. The District has a goal of achieving two new certifications per year in the Operations Department and five new certifications per year in the Volunteer Department. This goal was met for 2021.

Additional Operations Accomplishments in 2021/22

- The District successfully completed a recertification of national standard fire certifications through the Department of Public Safety Standards and Training (DPSST). DPSST certifies/licenses fire service professionals in the State of Oregon.
- A live fire prop construction project began at the Locust Street training site with completion anticipated during spring 2022.
- A-Shift Captain Thornton Brown retired from the District after 31 years of service. Captain Brown joined the volunteer ranks after his retirement and will continue his service to the District.
- A-Shift Engineer/Paramedic Cody Meredith was hired during a promotional process to fill the vacancy created by Captain Brown's retirement. A hiring process is planned to be finalized prior the FY 22/23 budget to hire a replacement Engineer/Paramedic.
- Travis Martin, hired as a full-time Firefighter/Paramedic in 19/20, completed training and qualification in driving and operating all District fire apparatus and earned the designation of Engineer/Paramedic.
- Deputy Chief Tim Craig completed his National Fire Academy (NFA) Executive Fire Officer program (EFO). The EFO program is the premier fire service executive development program, and the flagship program of the NFA.

MAINTENANCE DEPARTMENT

The Maintenance Department facilitates the coordination of all preventative maintenance and repair to District apparatus and vehicles with contracted third-party vendors, as well as a part-time mechanic. The Department is also responsible for the coordination and oversight of all preventative and routine maintenance activities for the District's four stations, training facility, and administration building. Logistics and program support are also provided across the other Departments.

This Department also covers utilities and communication, fuel and supplies related to maintaining the equipment, vehicles, and facilities.

The District has a part-time mechanic working less than half-time, and part-time cleaning staff.

BUDGET SUMMARY FOR MAINTENANCE

Expenditures	2019/20 Actual	2020/21 Actual	2021/22 Budget	2022/23 Budget
Personnel Services	\$25,067	\$22,779	\$26,361	\$27,264
Materials and Services	\$175,158	\$177,290	\$202,030	\$264,504
Capital Outlay	\$24,082	\$1,163	\$160,889	\$10,685
TOTAL	\$224,307	\$201,232	\$389,280	\$302,453

NEW BUDGETARY SIGNIFICANT CHANGES

- **Utilities.** Utilities has been increased for this budget due to rising costs of electricity and propane.
- **Communications.** This budget item has been increased due to one-time purchases including iPads and related software and cases for vehicles 741/743/745 and modems for high power user equipment (HPUE).
- **Deschutes 911 Service.** This budget item has been increased slightly for radio maintenance fees and computer aided dispatch (CAD) fees.
- **Fuel.** Increased due to the rising costs of fuel for fleet.
- **Contract Services Facilities.** Additional funds were added to this line to include additional heating and cooling system maintenance to four times annually; new landscape contract, one-time fees for electrical work for new washer/dryer units and hot water heater at Station 701; engineering for electrical changes for Station 701 generator power and window washing at Station 701.

- **Contract Services Vehicles.** Additional funds were added to this line for the increased cost of vehicle repairs that cannot be completed by the in-house mechanic.
- **Facilities Supplies.** This line has been increased to include \$4,000 for the Station 701 Christmas lights display.
- **Vehicle Supplies.** Increased due to the rising costs of supplies for the fleet.
- **Radio Repair/Replace.** Includes one-time purchase of five new pagers for new volunteers.
- **Facilities Capital Outlay.** This budget includes funding for one-time purchase of a stacked washer/dryer unit and related taxes. This was initially budgeted for in FY 21/22, but the project was delayed due to supply chain and shipping issues.

EQUIPMENT MAINTAINED

- Thermal Imaging Cameras
- Compressors
- SCBA Mask Tester
- Washer/Extractor
- Communications System
- Defibrillators/EKG's
- Holmatro Cutters (Jaws of Life)
- Pumps
- Auto CPR Machines
- Manikins
- Trailers
- Power Pro Ambulance Cots
- Personal Protective Equipment
- Self-Contained Breathing Apparatus
- Hoses and Ladders
- Many other smaller pieces of equipment

FACILITIES MAINTAINED

Station 701 includes the Administration Building and Community Room, living quarters and bay area, maintenance garage and storage shed, parking lot and landscaping located in downtown Sisters (301 S Elm St). There are plans to repaint the interior of this Station during this budget as well as add new stacked washer/dryer units to the shop and crew quarters. There will also be costs related to engineering to make electrical changes to the generator to add the watch room and apparatus bays to the existing unit.

Station 702 is located in Tollgate community and has been used primarily for storing antique fire engine used in parades. As of May 1, 2022 the District Board of Directors has signed a memorandum of understanding (MOU) with the Tollgate Homeowner's Association (HOA) and agreed upon a sales price to transfer ownership of this Station back to the Tollgate HOA. District legal counsel is working on the required contracts with an expected transfer date by June 30, 2022. If approved, this contract would provide sales revenue of \$5,000 per year over the next ten years. No anticipated funds in 2022/23.

Station 703 is located in Squaw Creek community and includes a bay area and living quarters. There are plans to complete interior and exterior painting of the Station this year.

Station 704 is located in Camp Sherman and includes a bay area and a dormitory. There are plans to complete work to add a generator to this Station in this budget.

THE DISTRICT PARTNERED WITH DESCHUTES COUNTY HEALTH DEPARTMENT OFFERING STATION 701 AS A HOST LOCATION FOR THE COUNTY TO PROVIDE WEEKLY COVID VACCINATION CLINICS.

Maintenance Cost Center Performance Measures

PERFORMANCE MEASURE	GOAL	2019	2020	2021
M1. Number of yearly NFPA 1911 safety and performance inspections on emergency fleet	1	1	1	1
M2. Number of quarterly facility safety inspections	4			
• Station 701		4	4	4
• Station 703		4	4	4
• Station 704		4	4	4

Performance Measure M1 – NFPA 1911 Safety and Performance Inspections are applicable to public and private organizations and helps to ensure in-service fire apparatus are serviced and maintained to keep them in safe operating condition and ready for response at all times. The District employs a part-time Mechanic certified to perform these inspections annually. This goal was met for 2021.

Performance Measure M2 – The District is governed by Oregon Occupational Safety and Health (OSHA). Inspections are a first line defense against an unsafe workplace. Oregon OSHA requires all workplaces to be inspected as often as necessary to keep employees safe. The Safety Committee for the District has determined that quarterly safety inspections by employees trained in hazard recognition is a good way to get the job done. Each of the three staffed fire stations for the District were inspected quarterly in 2021.

Additional Maintenance Accomplishments in 2021/2022

- The heaters at Station 703 were replaced with more efficient radiant propane heat.
- A live fire training prop was added to the Locust Street training site.
- The District's retired ambulance was reconfigured as an Incident Support Unit (ISU). The incident support unit will be used to support operations on large-scale events such as fires and other training events. Trained Fire Corps volunteers will operate the unit beginning in spring 2022.
- The District purchased new portable very high frequency (VHF) radio equipment through an Oregon Office of State Fire Marshal grant.
- The AT&T First Net tower broke ground in Camp Sherman. This will provide improved communications capabilities in the Metolius Basin.

THIS VEHICLE WAS OPERATING IN THE DISTRICT'S FLEET AS AN AMBULANCE UNTIL IT REACHED THE END OF ITS USEFUL LIFE IN THAT ROLE. IT HAS BEEN CONVERTED TO AN INCIDENT SUPPORT UNIT THAT FIRE CORPS VOLUNTEERS WILL OPERATE ON INCIDENTS SUPPORTING OPERATIONAL STAFF.

<u>CAPITAL OUTLAY</u>			
1-13-3-50100	Communications	\$	0
1-13-3-52100	Facilities	\$	10,685
	Stacked washer/dryer units for crew quarters/shop		10,685
TOTAL CAPITAL OUTLAY		\$	10,685

Facilities Capital Outlay funds include the addition of new stacked washer/dryer units for Station 701. One is a replacement for an older unit and one is adding to the facility. Due to NFPA regulations requiring separation of washing uniforms and off duty clothes from Resident Volunteers, this was the best solution. Higher electricity costs have been anticipated.

VOLUNTEER DEPARTMENT

The Volunteer Department supports the District's mission through public education, prevention activities, and emergency response services by recruiting, mentoring, and developing community-minded individuals. In addition, the Department oversees the Resident Volunteer program. The combination of these volunteers plays a critical role in achieving the District's goals.

Funding in the Volunteer Department supports the following Board Priorities:

- Apply for extension of FEMA SAFER grant in order to maximize grant funding for projects impacted by the COVID Pandemic.
- Develop a plan for implementation of defensible space standards established by the Oregon Office of State Fire Marshal that are consistent with the wildland urban interface (WUI) code as a part of Senate Bill 762.

The Volunteers are managed by the Deputy Chief of Operations through either an Operational Volunteer Coordinator, or a Fire Corps Volunteer Coordinator and the Recruitment and Retention Coordinator hired in 2018 through a FEMA SAFER Grant. The Deputy Chief position is budgeted under the Operations Department and is responsible for the emergency service delivery throughout the community. The Volunteer Coordinator positions are paid a nominal stipend for this position. There are currently 45 active Fire/EMS volunteers.

Prospective Resident Volunteers go through an application process and then a thorough background evaluation to become Resident Volunteers. If they are accepted into the program, the first stage is participating in a firefighter academy where they receive specialized training and instruction. Upon academy graduation, Resident Volunteers are assigned to a shift to enhance their educational experience. At the same time, they are enrolled as a full-time student in the Fire Science or Paramedicine program at Central Oregon Community College. Resident Volunteers receive no compensation for their time spent at the District, but they do receive their tuition and books paid for the attainment of their Associates Degree. In addition, they receive a monthly reimbursement of related living expenses, all the while living and working alongside career firefighters to gain experience and practical skills. The budget for FY 22/23 assumes that the District will have seven Fire/EMS resident volunteers and is budgeting for an additional resident volunteer to support the Fire Prevention division. This position will enroll as a full-time student in the Fire Science program as well as additional classes necessary to become certified in code inspections.

Volunteers for the District either serve as structural firefighters after extensive training, or serve in a support position such as driver, EMS only, fire prevention, and Fire Corps. Volunteer positions are non-compensated. The District does however reimburse expenses under the guidance of the Internal Revenue Service Accountable Plan. The District has also implemented a Length of Service Award Program or LOSAP to recognize a volunteer's commitment to the District. The District will contribute into the LOSAP, a non-qualified deferred compensation plan, a pre-established amount each year. If certain criteria are met by the volunteer, a contribution will be made to the volunteer's account for that year.

Fire Corps volunteers support the District through community services. There are currently 37 active Fire Corps volunteers. The District currently has the largest Fire Corps program in the State of Oregon.

The Board of Directors are five elected volunteers who set policy for the District. The District pays each Board member the ORS allowable per diem of \$50 per month for twelve board meetings each year.

BUDGET SUMMARY FOR VOLUNTEER DEPARTMENT

Expenditures	2019/20 Actual	2020/21 Actual	2021/22 Budget	2022/23 Budget
Personnel Services	\$65,358	\$93,858	\$88,885	\$66,290
Materials and Services	\$191,092	\$190,291	\$328,111	\$328,305
TOTAL	\$256,450	\$284,149	\$416,996	\$394,595

NEW BUDGETARY SIGNIFICANT CHANGES

- **Volunteer Coordinator.** Increased this budget to provide both the Operational and Fire Corps Volunteer Coordinator positions a stipend of \$2,000 each.
- **Volunteer Coordinator – Grant.** This is the fourth and final year of the FEMA SAFER grant and funding has been decreased for salary and wages based on remaining funds available in the grant.
- **District Awards.** Increased to add special recognition ceremonies for resident volunteer recruit academy graduation in addition to the annual awards banquet costs, which also increased.
- **Election.** Two Directors will be up for election during this budget.
- **Tuition/Books.** This budget line increased to cover the costs of seven operational and one fire prevention resident volunteers for this FY.
- **Reimbursements.** Assumes seven resident volunteers reimbursed at \$350/mo. and one resident volunteer lieutenant reimbursed at \$600/mo. In addition, this includes volunteer meal voucher reimbursement for all volunteers.
- **Immunization/Tests.** This was reduced based on the number of volunteers due in this FY for medical physicals.
- **Prevention/Special Events.** This was increased to include supplies for new special events for the District including the Halloween Drive-Through events and other parades.
- **Uniforms.** Includes uniforms for five new Resident Volunteers and additional funds for uniform replacement for all volunteers.
- **Per Diem.** Increased to support a quarterly off-campus dinner/networking event for the resident volunteers.
- **Recruitment/Retention Grant.** The District received a SAFER grant through FEMA at \$205,875 per year for four years to hire a Volunteer Recruitment and Retention Coordinator and the expenses associated with recruiting additional volunteers. This is the fourth and final year for the grant. Staff intends to apply for an extension of the grant to maximize funding for the materials and supplies associated with recruitment and retention.

VOLUNTEER PERSONNEL SUMMARY

Volunteer Cost Center Performance Measures

PERFORMANCE MEASURE	GOAL	2019	2020	2021
V1. Number of volunteers, by type, at each ISO recognized station				
Station 701				
• Officer	1	2	2	4
• Engineer	1	3	4	7
• Firefighter	3	30	22	18
Station 703				
• Officer	1	3	3	3
• Engineer	1	1	1	2
• Firefighter	3	3	4	3
Station 704				
• Officer	1	0	*0	*0
• Engineer	1	1	1	1
• Firefighter	3	2	5	3
V2. Number of Fire Corp volunteers	20	28	30	37
V3. Net increase in volunteer firefighters	5/YR	0	11	*(1)

Performance Measure *V1 –The age demographic of full-time residents in the region is one factor. The District has a candidate identified for the Station 704 officer role who is working towards the remaining qualifications for that position.

Performance Measure V2 – The Fire Corps and its members are critical to the District maintaining a high level of service and programs for District residents. The District has a goal of at least 20 Fire Corps members. This goal was exceeded for 2021.

Performance Measure *V3 – The shortage of volunteer firefighters continues to be a national crisis. In addition to the decline in numbers of volunteer firefighters, the average age of those serving has increased. Recruitment and retention of volunteers is a public policy challenge.

Additional Volunteer Accomplishments 2021/2022

- **Training and Certifications.** Volunteer personnel achieved 46 training certifications in 2021 and logged 3,927 training hours.
- **Resident Volunteers.** Three resident volunteers received their Paramedic license in 2021.

Items to note: Several of the volunteer Fire Corps and Prevention Division programs were impacted by COVID-19 restrictions in 2021, however over 2,151 hours were logged by volunteers in these activities:

- **Blood Pressure Screenings.** Volunteers staff a Blood Pressure Clinic at Bi-Mart on the third Tuesday of each month. These services were put on hold during 2021 due to COVID.
- **CPR/First Aid Classes.** Four volunteers conduct First Aid and CPR/AED classes for the community. They taught 10 community members in Heartsaver First Aid and/or CPR for 2021. Most community classes were put on hold due to COVID, but have resumed as of May 2022.
- **Address Sign Installation.** Fire Corps volunteers install reflective address signs to help crews quickly locate addresses within the District. A total of 67 address signs were installed in 2021.
- **Car Seat Safety Checks.** One volunteer is certified to check child car seat safety. Regularly scheduled regional safety clinics were canceled due to COVID, however 19 inspections were performed in 2021 in Sisters.
- **Smoke Alarms.** The District received 19 requests for service of smoke alarms in the community. Volunteers and staff installed 16 battery-powered smoke alarms and provided 34 batteries.
- **AED Grants.** The District set aside grant funds to encourage more businesses in the community to purchase Automated External Defibrillators. One additional AED was added to our community!
- **Senior Safety Program.** The Senior Safety Committee includes representatives from the Council on Aging of Central Oregon, Sisters Park and Recreation, and staff and Fire Corps volunteers of the Fire District. One large focus of the committee is to reduce fire department responses to falls in the senior population. All regularly scheduled events were canceled in 2021 due to COVID.
- **Youth Fire Intervention Program.** The District has three trained interventionists that evaluate youth who misuse fire and establish a plan for them. No juveniles were identified in 2021 for this program.
- **Halloween Safety Fair.** The District's traditional event had to be modified for the second year due to COVID. Volunteers prepared Halloween safety bags with prevention and safety materials and a few holiday treats for over 500 school-age children in the Sisters and Black Butte School Districts.

- **Spirit of Christmas.** The Sisters-Camp Sherman Fire & Ambulance Association and the Sisters Kiwanis Club sponsor the annual “Spirit of Christmas Giving Tree” providing Christmas gifts to families in need in Sisters Country over the holiday season. In 2021, 140 children received gifts. In addition, the Sisters-Camp Sherman Fire & Ambulance Association received approximately \$4,000 in donated funds for the program.
- **Community Christmas Dinner.** The Association also hosts a community Christmas dinner on Christmas Day every year typically served in the Community Hall at Station 701. The event was modified in 2021 for the second year, and the traditional meal was packaged and delivered to interested community members through a drive-through pick-up service at Station 701. Over 175 meals were handed out.
- **Community Assistance Fund.** This fund has been set up to help members of the community who would endure a further hardship without financial assistance. Under this program, employees are allowed to spend up to \$100 to provide assistance beyond basic fire suppression and EMS. The fund was created from non-public funds, including donations made to the District and employee/volunteer contributions. In 2021, a total of 30 individuals/families were helped with a total of \$598 in gas/food vouchers and bus tickets.

"Volunteers do not necessarily have the time; they just have the heart."

Elizabeth Andrew

FIRE CORPS VOLUNTEERS ASSIST AT A TRAINING EVENT

NON-DEPARTMENTAL

The non-departmental categories are the components of the budget that are not directly related to any one departmental activity. These include the categories of transfers, operating contingency, unappropriated ending fund balance, reserve funds, and debt service.

The General Operating Fund transfers budgeted funds to the Employment Reserve Fund, Building Reserve Fund, and Equipment Reserve Fund for unanticipated and future costs related to each area.

Operating contingency is appropriated money available for unanticipated expenditures that may arise during the budget year. This figure is computed at 10% of general fund expenditures. Utilization of these funds requires Board of Director approval.

Unappropriated ending fund balance is budgeted at \$1,178,678. While listed as a requirement, it is actually a resource for the ensuing fiscal year and cannot be expended in the current year. This figure is computed at 5/12 of the personnel costs, 1/4 of the materials and services expenditures, and 1/4 of the capital outlay expenditures from the General Operating Fund less 5/12 of the ambulance revenue expected. The calculation does not include expenses related to grants. It is the District's philosophy to provide funding for the ensuing year's requirements until levied taxes are received in November.

Debt service accounts for money the District is obligated to pay towards the original \$2.5M Bond debt created February 6, 2007 to build and remodel Station 701. The Bond was refinanced in early 2017 and is now a 10-year bond at 1.87% interest with \$1,055,000 left to pay. The bond will be paid off in February 2027.

BUDGET SUMMARY FOR NON-DEPARTMENTAL

Expenditures	2019/20 Actual	2020/21 Actual	2021/22 Projected	2022/23 Budget
Transfers	\$369,750	\$596,717	\$570,245	\$515,256
Operating Contingency	\$207,591	\$0	\$0	\$358,948
Ending Fund Balance	\$1,646,877	\$1,751,757	\$2,428,618	\$1,178,678
TOTAL	\$2,224,218	\$2,348,474	\$2,998,863	\$2,052,882

Transfers from the Operating Budget to Reserve Funds include:

- \$122,623 Employment Reserve Fund
- \$ 80,450 Building Reserve Fund
- \$312,183 Equipment Reserve Fund

RESERVE FUNDS

The District created three Reserve Funds to help save for future large expenditures and unanticipated costs associated with each of these funds. Equipment, apparatus, and building repairs can be in the hundreds of thousands of dollars. The District would like to avoid asking its taxpayers for money to fund these large capital costs and is creating a fiscally responsible budget that should make sure it does not need to request additional levies.

In the 2019/20 budget year, the District created a side account in PERS with an initial deposit of \$1.2M to help offset its growing unfunded liabilities. In November 2019, the Board of Directors authorized joining the State and Local Government Rate Pool (SLGRP) with PERS. The estimated outstanding transitional liability for the District as of December 31, 2020 is \$1,652,482. The Board has made it a priority to eliminate this differential over fifteen years. The District assumes a contribution of \$122,623 into the Employment Reserve Fund for the 22/23 FY to help offset this cost.

How Do PERS Side Accounts Work?

Side accounts are generally amortized over the same time period as the employer's associated UAL, providing the employer with a reduction of its employer rate. The goal is for the side account to provide rate relief to the employer until the associated UAL is paid off. Side accounts are re-amortized every two years, taking into consideration how much of the side account has been used and what earnings have been credited. The rate offset from the side accounts is then adjusted based on the re-amortization.

What Earnings Do Side Accounts Receive?

Side accounts are invested in the PERS Fund and receive the Fund's actual earnings or losses. These earnings or losses are posted to side accounts at the end of each year.

The annual vehicle transfer is \$256,791; EMS equipment transfer is \$22,947; and fire equipment transfer is \$32,445. The District applied for, and is anticipating award of, four grants. One grant is a joint grant with Cloverdale and Black Butte Ranch (BBR) Fire Districts for a total of \$389,200. Other grant revenue anticipated includes and AFG Grant for \$725,000; AFG Grant for \$33,000 and a VFA Grant for \$20,000. An auto CPR-compression system is planned for this FY out of the EMS Equipment line. This was originally budgeted in the 21/22 FY, but the purchase was delayed. A Stryker Powerload System is planned for Ambulance 775 out of the EMS Equipment line. Fire equipment purchase planned for this FY include Holmatro vehicle liftbag set. Grant expenditure details are below.

A five-year budget forecast is completed by the Executive Assistant and Finance Manager twice annually: once after the budget is adopted, and again after the annual audit is completed. The five-year forecast is used by management staff to review trends and potential impacts to future budgets. The forecast assumes a conservative 5.6% increase in property taxes, a 5.8% increase in personnel services, 12.5% increase in materials and services and actual debt service scheduled payments. It also includes reserve fund allocations based on the District's Apparatus, Fire Equipment and EMS Equipment Replacement Schedules and Board direction regarding major funding priorities.

Tender (FFP) (734-2005)	25					
Brush (744-2006)	20					150,000
Ending Balance		932,759	407,254	204,683	85,286	74,306

The full fleet replacement schedule goes out 20+ years to ensure the District will have the funds necessary to replace vehicles as needed. The Executive Assistant prepares an internal planning tool for budgeting out five years; updating this financial plan after the annual budget is approved and again after the audit is completed each year.

Items to note: The District has applied for a FEMA AFG Grant to purchase a new Type 1 Rescue Pumper. If the grant is successful, the purchase for that vehicle in 2023/2024 will not be needed.

GLOSSARY

7PC – A term used for personnel callback. When Station 701 staffing levels are lower than the ability to minimally staff the next emergency call, the Shift Commander will request a “7PC” alerting any available personnel to return to Station 701 to backfill staffing.

Account – A term used to identify an individual asset, liability, expenditure control, revenue control, or fund balance.

Accrual – The accumulation or increase of something over time, especially payments or benefits.

Active 911 – A digital messaging system that delivers alarms, maps, and other critical information instantly to first responders.

AD&D Insurance – an insurance policy that pays benefits to the beneficiary if the cause of death is an accident.

Administration – Department responsible for the performance of executive duties and District management.

AED – An automated external defibrillator (AED) is a portable electronic device that automatically diagnoses the life-threatening cardiac arrhythmias of ventricular fibrillation and ventricular tachycardia in a patient, and is able to treat them through defibrillation, the application of electrical therapy which stops the arrhythmia, allowing the heart to reestablish an effective rhythm.

AFG (Assistance to Firefighters Grant) –The primary goal of the Assistance to Firefighters Grant (AFG) is to meet the firefighting and emergency response needs of fire departments and non-affiliated emergency medical service organizations.

ALS (Advanced Life Support) - Advanced life support, level 1 (ALS1) is the transportation by ground ambulance vehicle and the provision of medically necessary supplies and services including the provision of an ALS assessment or at least one ALS intervention.

Alarm – A call received by a 911 dispatch center, which is then relayed to the appropriate fire station for emergency response.

Amortization – Amortization is paying off a debt over time in equal installments. Part of each payment goes toward the loan principal, and part goes toward interest. As the loan amortizes, the amount going toward principal starts out small, and gradually grows larger month by month.

Appropriation – An act by a legislative body authorizing the expenditure of a designated amount of funds or to incur obligations for specific purposes.

ASA – Ambulance Service Area. A designated boundary which is granted to a specific entity for providing ambulance service.

Assessed valuation – The total taxable value placed on real estate and other property as a basis for levying taxes.

Assessor – A person who makes assessments, especially for purposes of taxation.

Audit – An official inspection of an individual's or organization's accounts, typically by an independent body.

Balanced Budget – A budget in which revenues equal expenditures for all funds presented.

BLS (Basic Life Support) - Basic life support (BLS) is transportation by ground ambulance vehicle and the provision of medically necessary supplies and services, including BLS ambulance services as defined by the State.

Board of Directors – Elected body of officials that governs the District.

Budget – A plan of financial operation embodying an estimate of proposed expenditures for a given period (typically a fiscal year) and the proposed means of financing them (revenue estimates) for the same fiscal year.

Budget Committee – Five Board Members and five community members appointed by the Board who review the proposed budget, listen to comments from citizens, and then approve the budget. The budget committee reviews the proposal to ensure that the district is planning to spend money in furtherance of expressly stated district goals.

Capital Outlay – Expenditures for the acquisition of capital assets which may include equipment, buildings, or other facility improvements.

Career staff – Staff that receive a salary and are directly responsible for emergency medical treatment and fire suppression.

Chaplaincy – Central Oregon Public Safety Chaplaincy is a non-profit organization whose mission is to serve those who have endured a loss or been a victim of tragedy.

Civil Service Commission – Consists of three (3) members who are appointed by the Board of Directors to adopt and interpret rules consistent with State Law for the regulation of personnel administration within the classified service.

COFCA – Central Oregon Fire Chiefs Association. The purpose of this Association is to further the professional advancement of the fire service to ensure and maintain the greater protection of life and property from fire, natural and man-made disaster, or other emergency services of Central Oregon.

COFOG – Central Oregon Fire Operations Group. The mission of COFOG is to collaborate and promote interagency operations and work to align agency operations by creating standardized operational guides.

COLA – Cost of Living Adjustment. An adjustment made to income to counteract the effects of inflation.

Conflagration – An extensive fire that destroys a great deal of land or property.

Contingency – A provision for an unforeseen event or circumstance.

COVID-19 – Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus.

CPA – Certified Public Accountant. A licensed accounting professional providing accounting and auditing services.

CPR – Cardiopulmonary Resuscitation is a procedure employed after cardiac arrest using heart massage, drugs and mouth-to-mouth resuscitation to restore breathing.

CRA – Community Reinvestment Act is intended to encourage depository institutions to help meet the credit needs of the communities in which they operate, including low- and moderate-income neighborhoods, consistent with safe and sound operations.

Custodial officer – The person having custody or responsibility of the funds.

DC911 – Deschutes County 9-1-1 is a public safety dispatching agency, taking all calls for police, fire, and medical service assistance in Deschutes County.

Debt – An obligation or liability resulting from the borrowing of money or from the purchase of goods and services.

Deferred Comp - an arrangement in which a portion of an employee's income is paid out at a later date after which the income was earned.

EMS – Emergency Medical Service. A service that provides emergency medical treatment for the unexpected, sudden occurrence of a serious and urgent nature that demands immediate attention.

Engine – Various apparatus used to transport and pump water; carries ladders, hoses, other equipment and supplies for fighting fires.

Engineer – One who maintains and drives the apparatus during emergency calls.

Expenditures – Charges incurred, whether paid or unpaid, for operation, maintenance, and interest, and other charges, which are to benefit the current fiscal period.

FCC – Federal Communications Commission is an agency that oversees radio communication.

FF – Firefighter. One who performs firefighting and other emergency scene duties involving the protection of life and property.

Fiduciary Fund – A fund used to account for resources that a government holds as a trustee or agent on behalf of an outside party that cannot be used to support the government’s own programs.

Fire Corps – A volunteer program designed to connect community members with their local fire/EMS departments to help with non-emergency tasks.

FireMed – A voluntary membership program that covers emergency ground ambulance services throughout the entire ambulance service area. When members use the emergency ambulance service, their insurance is billed for any medical benefits that cover emergency ambulance transport. Members do not receive a bill for emergency services.

Firewise – A community program encouraging local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. Firewise is a key component of Fire Adapted Communities – a collaborative approach that connects all those who play a role in wildfire education, planning and action with comprehensive resources to help reduce risk.

Fixed Asset – Tangible or intangible items purchased that are over \$5,000 and have a useful life of more than one year.

FLSA – Fair Labor Standards Act. Established minimum wage, overtime pay, recordkeeping requirements and child labor standards for full-time and part-time workers.

FTE – Full Time Equivalent. Staffing levels are measured in FTE’s to give a consistent comparison from year to year.

Fund – A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities, that are segregated for the purpose of carrying on specific activities.

Fund Balance – The difference between assets and liabilities reported in a governmental fund.

FY – Fiscal Year. The time period used for the accounting year. The District’s fiscal year begins July 1st and ends on June 30th.

GAAP – Generally Accepted Accounting Principles. The conventions, rules, and procedures that serve as the norm for the fair presentation of financial statements.

GEMT – Ground Emergency Medical Transport. GEMT draws funds from the federally-backed Medicaid entitlement program, allowing public EMS providers the ability to collect a percentage of their uncompensated costs for providing care to Medicaid patients. This would assist Oregon’s public EMS system by ‘filling the gap’ in the cost of these services now being shouldered by local fire departments and districts.

General Obligation Bonds – A common type of municipal bond in the United States that is secured by a state or local government's pledge to use legally available resources, including tax revenues, to repay bond holders.

GFOA – Government Finance Officers Association. A Professional association of state, provincial and local finance officers in the United States and Canada.

Governmental Fund – Funds used to account for activities primarily supported by taxes, grants, and similar revenue sources.

Grant Revenue – A financial award given by the federal, state or local government to an eligible grantee.

Honor Guard – A ceremonial unit whose primary role is to provide funeral honors for fallen comrades.

IAFC – International Association of Fire Chiefs. An association representing the leadership of firefighters and emergency responders worldwide.

ISO – Insurance Services Organization. An advisory and rating organization for the property/casualty insurance industry to provide statistical and actuarial services, to develop insurance programs, and to assist insurance companies in meeting state regulatory requirements.

IT – Information Technology. The use of any computers, storage, networking and other physical devices, infrastructure and processes to create, process, store, secure and exchange all forms of electronic data.

Interface Engine – Four-wheel drive dual-purpose apparatus that can usually pump water while driving and moving. It has a complement of wildland firefighting tools as well as structural firefighting tools.

L/T Disability – Long Term Disability Insurance. An insurance policy that protects an employee from loss of income in the event that he or she is unable to work due to illness, injury, or accident for a long period of time.

LGIP – Local Government Investment Pool. A pooled account where the County Treasurer deposits tax receipts.

Life Flight – A non-profit foundation providing critical care transportation to seriously ill or injured patients through air transportation.

Major Fund – Those funds whose revenues, expenditures/expenses, assets or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds.

Materials and Services – Expenditures related to the purchase of goods or services not designated as personnel costs or fixed assets.

Medicare/Medicaid - Medicare is a federal program that provides health coverage if you are 65 or older or have a severe disability, no matter your income. Medicaid is a state and federal program that provides health coverage if you have a very low income.

Merchant service fee - Merchant fees are money charged by a merchant service to a vendor for processing credit card transactions based on a percentage of the charge.

MVC – Motor Vehicle Crash. When a vehicle hits a person, an object, or another vehicle, causing injury or damage.

NFPA – National Fire Protection Association. Non-governmental association that provides consensus codes and standards, research, training, and education relating to fire protection.

OFCA – Oregon Fire Chief’s Association. Organization of Fire Chief’s providing information, education, and training in the fire service in Oregon.

OFDDA – Oregon Fire District Directors Association. Organization that provides information, education and training to fire service Board of Directors in Oregon.

OFSOA – Oregon Fire Service Office Administrators. Association of Fire Service office workers that provide education and training in Oregon.

OGFOA – Oregon Government Finance Officers Association. Organization that provides education and training for finance officers in Oregon.

OPSRP - Oregon Public Service Retirement Plan. PERS-covered employees hired on or after August 29, 2003. OPSRP has two components: The Pension Program and the Individual Account Program. All OPSRP Pension Program members have an IAP account.

OSP (Oregon State Police). The Oregon State Police (OSP) is a multi-disciplined organization charged with protecting the people, wildlife, and natural resources in Oregon. The Oregon State Police (OSP) is a multi-disciplined organization charged with protecting the people, wildlife, and natural resources in Oregon.

PERS – Public Employees Retirement System. The retirement system in Oregon for all local and state government workers.

Personnel Services – Expenditures related to personnel costs such as compensation, benefits, and payroll taxes.

PPE – Personal Protective Equipment. Equipment firefighters wear when responding to emergencies such as turnouts, boots, helmets, etc.

Property tax – Mandatory tax charged for the purpose of financing emergency services provided to District residents for their protection and assistance.

Proprietary Fund – Funds most like funds in the private sector used to account for activities that receive significant support from fees and charges.

Reserve Funds – A savings account or other highly liquid asset set aside by an individual or business for meeting the future costs of upkeep and any unexpected costs that may arise.

Resident Volunteer (RV) – Volunteers who reside at the fire station and attend Central Oregon Community College who are interested in the fire or EMS service.

Revenue – The income of the District from sources for the payment of District expenses.

SCBA – Self-Contained Breathing Apparatus, sometimes referred to as a compressed air breathing apparatus is a device worn by rescue workers, firefighters, and others to provide breathable air in an immediately dangerous to life or health atmosphere.

S/T Disability – Short Term Disability Insurance pays you a portion of your income for a short period of time after you run out of sick leave.

SDAO – Special Districts Association of Oregon. An Association created to assist special service districts in providing cost-effective and efficient public services to the people of Oregon.

SDIS – Special Districts Insurance Services. The insurance arm of Special Districts Association of Oregon. The District uses this insurance company for its insurance needs including liability and worker's compensation insurance.

Shift – The term used to describe the 48-hour period of time the crews are on duty.

Shift Commander – Individual in charge of shift firefighter/paramedics. Each 48-hour shift has an assigned Shift Commander.

SLGRP – A term used to identify a pool of state agencies, community colleges, some local governments and some special districts within the public employees retirement systems that have the same unfunded actuarial liability rate. The assets and liabilities of each agency within the pool are combined with other members.

Social Security – The Federal Insurance Contributions Act (FICA) is the federal law that requires you to withhold two separate taxes from the wages you pay your employees. FICA is comprised of: a 6.2 percent Social Security tax and a 1.45 percent Medicare tax. Fire personnel elected to withdraw from the Social Security tax and do not contribute to this tax. The District agreed to pay into a Deferred Compensation account for the 6.2 percent they would have normally paid for this tax.

Surplus – Property that is retained by the District, but is not currently being utilized. A surplus property may be out of date or no longer working. The property is typically housed in a facility or kept vacant until the District decides what to do with the property.

Tender – An apparatus that carries water to supply an engine in rural areas.

Tier 1/Tier 2 – Oregon PERS employees hired before 1996 are considered Tier 1 employees and have the most beneficial retirement package. Tier 2 employees were hired from Jan. 1, 1996 to Aug. 28, 2003, and have slightly less retirement options.

Training Center – The District’s off-site facility for the purpose of training firefighters located on Locust Street.

Transfer – Monies moved between General Operating Fund and Reserve Funds to save for future expenditures.

Unappropriated – Funds used to cover operating expenses prior to receiving tax income in November.

Urban Renewal District - Under tax incremental financing, property values within the boundary area of an urban renewal district are “frozen” by the county assessor when the district starts. As property values increase over time, the difference between the frozen value and the new value goes to the district, not the county or city. Ultimately, the lifespan of the urban renewal district ends and the increased property values return to the county tax rolls. During the life of the district, other taxing agencies are affected due to the frozen property values including Sisters-Camp Sherman Fire District.

USFS (United States Forest Service). The United States Forest Service (USFS) is an agency of the U.S. Department of Agriculture that administers the nation's 154 national forests and 20 national grasslands.

VEBA – Voluntary Employee Beneficiary Association. A health reimbursement arrangement that allows an employer to contribute money to a Trust on behalf of their employees. The funds in this account can be used to help pay for eligible medical expenses and often saved for medical expenses in retirement.

WBF – Worker’s Benefit Fund. A payroll assessment calculated on the basis of hours worked by all paid workers, owners, and officers covered by workers’ compensation insurance in Oregon.

WUI – Wildland Urban Interface. Areas where human-built structures are in close proximity to areas of natural growth.

FORM OR-LB-1

NOTICE OF BUDGET HEARING

A public meeting of the Sisters-Camp Sherman Rural Fire Protection District will be held on June 21, 2022 at 5:00 pm at 301 South Elm Street, Sisters, Oregon. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2022 as approved by the Sisters-Camp Sherman Fire District Budget Committee. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at 301 South Elm Street, Sisters, Oregon, between the hours of 8:00 a.m. and 5:00 p.m. or online at www.sistersfire.com. This budget is for an annual budget period. This budget was prepared on a basis of accounting that is the same as the preceding year. If different, the major changes and their effect on the budget are: n/a.

Total Requirements			
Total FTE	14.60	14.50	15.42

STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING *

*The Operations Department includes funding for enhanced staffing based on recommendations from an enhanced staffing and BLS transport analysis. *The District is applying for several FEMA grants for cardiac monitors and CPR devices, a Type 1 Fire Engine Pumper, and 2.5" and 1.75" attack hose. If these grants are not received, the planned purchases will not proceed at this time. The budget reflects receiving these potential grants (\$1,147,200). *The District has planned for two additional resident volunteer positions. One will be for Fire/EMS and the other will focus on Fire Prevention and Safety.

PROPERTY TAX LEVIES

Notice of Property Tax and Certification of Intent to Impose a Tax, Fee, Assessment or Charge on Property

To assessor of Deschutes/Jefferson County

**FORM OR-LB-50
2022-2023**

- Be sure to read instructions in the Notice of Property Tax Levy Forms and Instruction booklet

☐ Check here if this is
an amended form.

The Sisters-Camp Sherman RFPD has the responsibility and authority to place the following property tax, fee, charge or assessment
on the tax roll of Deschutes/Jefferson County. The property tax, fee, charge or assessment is categorized as stated by this form.

<u>PO Box 1509</u>	<u>Sisters</u>	<u>OR</u>	<u>97759</u>	<u>7/1/2022</u>
Mailing Address of District	City	State	ZIP code	Date
<u>Roger Johnson</u>	<u>Fire Chief</u>	<u>541-549-0771</u>	<u>rjohnson@sistersfire.com</u>	
Contact Person	Title	Daytime Telephone	Contact Person E-Mail	

CERTIFICATION - You must check one box if your district is subject to Local Budget Law.

- ☐ The tax rate or levy amounts certified in Part I are within the tax rate or levy amounts approved by the budget committee.
☐ The tax rate or levy amounts certified in Part I were changed by the governing body and republished as required in ORS 294.456.

PART I: TAXES TO BE IMPOSED

		Subject to General Government Limits Rate -or- Dollar Amount	
1. Rate per \$1,000 or Total dollar amount levied (within permanent rate limit) . . .	1	2.7317	
2. Local option operating tax	2	0	
3. Local option capital project tax	3	0	
4. City of Portland Levy for pension and disability obligations	4	0	
5a. Levy for bonded indebtedness from bonds approved by voters prior to October 6, 2001	5a	0	Excluded from Measure 5 Limits Dollar Amount of Bond Levy
5b. Levy for bonded indebtedness from bonds approved by voters on or after October 6, 2001	5b	218,468	
5c. Total levy for bonded indebtedness not subject to Measure 5 or Measure 50 (total of 5a + 5b)	5c	218,468	

PART II: RATE LIMIT CERTIFICATION

6. Permanent rate limit in dollars and cents per \$1,000	6	2.7317
7. Election date when your new district received voter approval for your permanent rate limit	7	
8. Estimated permanent rate limit for newly merged/consolidated district	8	

PART III: SCHEDULE OF LOCAL OPTION TAXES - Enter all local option taxes on this schedule. If there are more than two taxes,
attach a sheet showing the information for each.

Purpose (operating, capital project, or mixed)	Date voters approved local option ballot measure	First tax year levied	Final tax year to be levied	Tax amount -or- rate authorized per year by voters

Part IV. SPECIAL ASSESSMENTS, FEES AND CHARGES*

Description	ORS Authority**	Subject to General Government Limitation	Excluded from Measure 5 Limitation
1			
2			

*If fees, charges, or assessments will be imposed on specific property within your district, you must attach a complete listing of properties, by assessor's account number, to which fees, charges, or assessments will be imposed. Show the fees, charges, or assessments uniformly imposed on the properties. If these amounts are not uniform, show the amount imposed on each property.

**The ORS authority for putting these assessments on the roll must be completed if you have an entry in Part IV.
