

# SISTERS-CAMP SHERMAN FIRE DISTRICT

## PART-TIME FIREFIGHTER EMT

### PART-TIME FIREFIGHTER-EMT

**WAGE: \$17.50 per Hour**

The Sisters-Camp Sherman Fire District (SCSFD) is seeking applicants for the position of Firefighter-EMT. This is an on-call position with variable hours and shifts. There is no guaranteed schedule or guaranteed minimum hours per month. Shifts will generally be 8-10 hours on weekdays, however weekends and holidays may be possible.

Serving in a progressive and dynamic, full-service fire and EMS organization means that our Firefighter-EMTs get the opportunity to serve in emergency response, training, and community service roles. Firefighter-EMTs also serve in the role of engineer (apparatus operator) when all qualifications are achieved (NFPA Driver/Apparatus Equipped with Fire Pump/Mobile Water Supply Apparatus/Wildland Operator). This recruitment is intended to fill multiple immediate openings.

#### About the District

The Sisters-Camp Sherman Rural Fire Protection District provides a full-range of emergency services to a diverse service area of approximately 55 square miles of fire protection and an Ambulance Service Area of approximately 800 square miles. The District is composed of career, volunteer, and resident volunteer firefighters, as well as a Fire Corps community support program. The District responds to roughly 1400 calls per year with 80% of requests for service being medical in nature. Much of the District is located within the Wildland Urban Interface and has a significant wildland fire history. The District is heavily involved in community events such as the Sisters Rodeo, the Sisters Outdoor Quilt Show, and the Sisters Folk Festival. The region is well known for our year-round outdoor recreational opportunities.

#### Ideal Candidate

The ideal candidate will be a motivated, community-minded individual who enjoys working with a positive team of career, volunteer, and resident-volunteer members. They will be a consummate professional, both on and off duty, and will set a good example for others to follow. The candidate will value employees and volunteers of the organization and will enhance an already strong program. They will enjoy training, coaching, and mentoring volunteers and resident volunteers. The candidate will have a history of community service and volunteerism that demonstrates a commitment to public service.

#### Minimum Qualifications

- Licensed EMT with the Oregon Health Authority
- Proof of Completion of an NFPA Firefighter 1 Academy
- NIMS ICS 100, 700 (<http://training.fema.gov>)
- Must meet minimum physical and mental functions and must pass an annual physical ability test and/or medical evaluation.
- Must be able to successfully pass a District physical exam and drug test when required.

#### Desired Qualifications

- NFPA Driver
- Pumper/Mobile Water Supply/Wildland Operator
- NWCG Firefighter Type 2 or Higher

A combination of experience and certification that meets the intent of the position may be considered by the District. For a complete listing of the duties and responsibilities please review the job description included in the application packet.

#### Benefits

Part-time Firefighter EMTs receive the following benefits:

- Sick leave as required by Oregon law
- Paid Leave Oregon benefits
- OPSRP/PERS employee portion picked up by SCSFD for those that qualify

The application packet is available on-line at  
[www.sistersfire.com](http://www.sistersfire.com).

This is an ongoing recruitment with first review of applications occurring on: January 25, 2023. Applications can be hand delivered, or mailed to:

Sisters-Camp Sherman Fire District  
P.O. Box 1509, 301 S. Elm Street
